## Cecil Manor Title I Family Involvement Survey

As a Title I school this year, we are excited to offer more opportunities to our families that help support your many roles as parents. In order to get a feel for what the Title I team can do to involve you in the educational process, we have some questions for you. If you could take a couple minutes of your time to answer these questions, that would help us out very much so that we can get the ball rolling with our Family Involvement Programs.

1. Do you have any young children at home or are you providing childcare in your home for young children (aged 0-5)? Yes\_\_\_\_\_/ No\_\_\_\_\_ (If no, please skip to question 3).
2. If yes, would you be interested in the Parents as Teachers Program (PAT)? (This is where the FIA will come out to your home (or you can come here, if needed) and spend about an hour on a weekly or monthly basis with you and your child/children. FIA will provide research based information and activities on early childhood development that you can use with your children to help them become ready for school when the time comes. The program also offers P.A.T. group meetings where you will meet parents and other children participating in PAT, in addition to developmental screenings). Yes\_\_\_/No\_\_\_
3. According to Title I guidelines, we must have input from parents to develop our Title I Policy. Would you be interested in becoming a decision maker in our Title I policy? (That means, you would attend some meetings every school year to help decide how Title I funds are used, what activities are provided at CMES for parents and families, and assist in decisions about classroom instruction). Yes\_\_\_\_\_ /No\_\_\_\_\_
4. What time works best for your schedule for decision-making meetings and parent involvement activities? What days of the week are best? (Please circle all days and times that work for you).
