

Gilpin Manor Elementary

"A learning community dedicated to the success of our students."

School Improvement Plan *At-A-Glance* 2008-2009

Goal 1: Students will meet or exceed high academic standards.

Language Arts Activities

- Marcia Freeman writing program for all students, 1-5
- LIPs training and implementation of the program for identified students

Math Activities

- Monthly Math Challenge
- Math Top Ten Skills every morning
- Implement the Houghton Mifflin Math Series

Inclusive Practices Activities

- Planning and implementing instructional activities for all of our students
- Provide appropriate professional development for all staff
- Head Start Program will collaborate with our Special Education Pre School to deliver inclusive instruction to our three-year-old students

Goal 2: All students will learn in a safe, secure, drug-free, and inviting environments.

CHAMPs/Character Education Activities

- Second Step implementation school-wide
- CHAMPs strategies
- Positive behavior incentives

Parent Involvement Activities

- Family Focus meetings throughout the year
- School-wide parent involvement events

Crisis Emergency Response Team

- Complete required emergency drills to maintain 100% compliance
- Conduct one school-wide table-top drill

Goal 3: All students will benefit from effective and efficient support and services provided by a learning organization.

Baldrige Activities

- Staff members trained in Baldrige strategies will develop individual learning goals with their students
- Baldrige data binders will be reviewed quarterly to impact teachers' instructional decisions.

Title I Activities

- Intervention team to support all students and their needs.
- Intervention is provided to students identified by the Student Services Team
