MEMORANDUM

TO: Parents of Students from Title I Schools

FROM: Henry Shaffer Superintendent of Schools

DATE: August 31, 2009

SUBJECT: Parents' Right to Know in Title I Schools

The *No Child Left Behind Act of 2001*, which was signed by President Bush on January 8, 2002 says that parents have the right to know the qualifications of the people who teach their children. The Cecil County Public School System is pleased with the level of skill and competence of our teacher workforce. We will provide this information as requested. If you would like to know the specific qualifications of your child's teacher and/or paraprofessional, please send the office of your child's school a written request.
