North East High School is situated on a wooded campus in North East, Maryland. We are a public, co-educational high school with a population of 1030 students in grades 9-12.

**Accreditation:** North East High School is fully accredited by the Middle States Association and the Maryland State Department of Education.

**Scheduling:** North East High School currently follows an A/B block schedule. Each day of the week is designated an A day or a B day with 4 different classes each day.
