

## RTC/La Salle Spring 2021 Courses are Virtual Classroom and Online – All Courses are 3 Graduate Credits

Regional Training Center will be offering virtual classroom and online courses with numerous start dates from January through April in partnership with La Salle University.

The virtual classroom courses will be offered in the same timeline as face-to-face courses. We will use Zoom as the virtual platform. Although we will be meeting in a structured time format, there will be activities away from the group meeting that will mirror our in-person courses as well as breaks during the day. Some activities are group collaboration, article and textbook reading, online activities, presentation planning, lesson design and classroom reflection, journaling, and all the other activities that make RTC courses hands-on, collaborative and relevant.

Our well-received online courses are in a 6-week instructional format and some are in a 4-week instructional format.

Online and Virtual Classroom courses are offered under PA Course numbers.

Tuition for 3 Graduate Credits is \$1500.00. Direct Tuition Reimbursement is available for eligible individuals. Please check with your county Human Resources Department to see if you are eligible.
