Course Formats:

Off-campus courses will be at Gambrills, Annapolis and ESHEC at Chesapeake College, Wye Mills. The courses will be held on the dates indicated below along with an online component after the last in-class meeting date. A Learning Extension Project (LEP) is due no later than two weeks after the last in-class meeting. The LEP submission deadline marks the conclusion of the course.

The Virtual classroom courses will use Zoom as the virtual platform. Although you will be meeting in a structured format, there will be activities away from the group meeting that mirror our in-person classes as well as breaks during the day. Some activities include group collaboration, article and textbook reading, presentation planning, lesson design, online activities, classroom reflection, journaling, and more that make an RTC course hands-on, collaborative and relevant. A Learning Extension Project (LEP) is due no later than two weeks after the last in-class meeting. The LEP submission deadline marks the conclusion of the course.

Our well received **online courses** are in a 6-week instructional format and some are in a 4-week instructional format. A Learning Project (LEP) is due no later than one week after the last published date. The LEP submission deadline marks the conclusion of the course.

Online and Virtual Classroom classes are offered under PA course numbers.
