Charlestown Elementary has a long history that led up to our current building and student body. In the fall of 1959, the present Charlestown School was organized and opened as a six-room school. Since then, additional rooms were added on several occasions, and a room for Prekindergarten was completed in 1998. The school went through a complete renovation from 2002 - 2004, doubling the size of the original school.

At the present time, Charlestown Elementary serves 290 students in Pre Kindergarten through Grade 5. We pride ourselves on getting to know each student well in order to serve their individual needs. Our dedicated staff, parents, PTO, and business partner provide a wonderful environment for learning.

Interesting Tidbits

Charlestown Elementary has an active business partnership with York Building. York’s involvement has enabled the school to provide instructional materials and outdoor educational opportunities to our students and staff. The PTO at Charlestown is very active as well.

We are fortunate to have local business support our school with food donations, school supplies, as well as their time and talents.

Monthly events are planned to provide fun activities that build our school community. In addition, the funds that are raised are dedicated to areas such as the media center book circulation and technology-related equipment for our school.
At Charlestown, our students ROAR like dragons. They are Respectful, On Task, Always Safe, and Responsible.

Accomplishments

- Maryland 5 Star School
- Maryland Green School
- PBIS Gold, Silver & Bronze Awards
- MD Comptroller Silver Hammer Award 2016
- Staff Members seeking National Board Certification
- Carson Scholar Nominees
- Yearly All-County Chorus and Band participants
- Teacher of the Year nominees
- Rain Garden, Meadow, and Outdoor Classroom
- Children supporting Children through
  - Turkey Trot Food Drive
