

Chesapeake Elementary School

214 Third Street - Chesapeake City, MD 21915 - 410.885.2085 - schools.ccps.org/chesa/

Chesapeake City Elementary School is a school rich in history. We strive daily to prepare our students to be successful citizens for the future. Since 1886 children of the Chesapeake City area have been educated on this site. The current building with its character and charm was constructed in 1939 and has been committed to helping students develop and grow.

Uniquely located in the town of Chesapeake City, under the shadow of the Chesapeake City Bridge and near the banks of the C and D Canal, Chesapeake City Elementary School provides a quality instructional program for students in Pre-Kindergarten through grade 5. Our dedicated staff work tirelessly to ensure that every child has every opportunity to achieve their potential.

At Chesapeake City, all of our students and staff strive to be Kind, Safe, and Ready each and every day!

Other Facts

- At Chesapeake City, we are excited as we look to the future and prepare for the construction of a new Chesapeake City Elementary School. Plans are currently underway to build a new, state of the art elementary school on the campus of Bohemia Manor Middle and High School. If all goes as planned, construction should begin in the Fall of 2019 with the doors opening to students in the Fall of 2021. Although we will miss our current building, we are excited about the prospects of a modern learning facility.
