Conowingo Elementary School, home of the Cubs, is located in Conowingo, Maryland and provides students systematic instruction from PreKindergarten to grade five. Our vision is "Educating and Celebrating Children Each Day." Our faculty and staff accomplish this by providing all students rigorous programs for the achievement of the skills, knowledge, and attitudes needed to be successful at the middle school level. This is carried out in an inclusive, safe and eco-friendly environment.

Our school community is in its fourth year of being a PBIS (Positive Behavior Intervention and Support) school. Each year we have been recognized by PBIS of Maryland and have most recently been awarded Gold Status. This highest level is given to those schools demonstrating sustainability for the systems, practices, and data utilization school wide. We have shown our implementation has had positive effects on both our discipline and achievement for at least two years. All students and staff believe in three simple expectations: be respectful, be responsible, and be safe.
