## **Bohemia Manor Middle School**

The Bohemia Manor Middle School community welcomes you to its profile page, and we encourage you to visit us personally to witness the great things happening in our school.

This year we will have a renewed energy and focus through our motto of being Respectful, Responsible, and Cooperative. We believe these qualities are vital for all members of our community to meet their full potential and be productive members of society. Many of the PBIS recognitions follow the motto, including Eagle Days, formerly known as Peace Days, and Eagle of the Week, which was Student of the Week. Teachers and staff members are also recognized for modeling these qualities on a regular basis.

Bohemia Manor is the only school in Cecil County to have the privilege of sharing a building and facilities with a high school. Although the middle and high school operate on separate schedules with different staffs, we are one community in spirit. Students have the opportunity to attend school in this building from 6th grade through graduation. This, added to our smaller enrollment, allows us to form strong bonds with our students and their families.
