

Board of Education of Cecil County
Elkton, Maryland

Agenda Item Details

Meeting Dec 11, 2017 - Board of Education of Cecil County Meeting

Category 6. New Business

Subject 6.18 Diesel Fuel Bid #18-04

Type Action

Recommended Action Superintendent's Recommendation: I recommend that the Board of Education of Cecil County approve the Bid Award for CCPS Bid #18-04: Diesel Fuel.

Bids were opened on November 30, 2017, for the purchase and delivery of diesel fuel. The recommendation for the award of diesel fuel is to the lowest responsive and responsible bidder meeting specifications for school buses, off-road equipment, and generators. If this bid is approved by the Board, the contract will begin on January 1, 2018 through December 31, 2018. Pending pricing and vendor performance, this contract may be renewed for up to three (3) additional one-year periods at the same rate.

Bidders were able to provide bids for diesel fuel based upon two options -- B5 SME Biodiesel for school buses and Red-Dye diesel for off-road equipment and generators. The OPIS posted daily rates were used as a basis for this contract pricing, with delivery fees added. The recommendation is that we award this bid to the incumbent vendor for this contract, Superior Plus Energy Services. The Superior Plus Energy Services company was the only bidder as reflected in the bid tab. Excluding the market fluctuations for diesel, this contract will increase by an estimated cost of \$501 for delivery fees. The total estimated annual cost is \$70,703.

Motion & Voting

Superintendent's Recommendation: I recommend that the Board of Education of Cecil County approve the Bid Award for CCPS Bid #18-04: Diesel Fuel.

Motion by James K Fazzino, second by Wendy A Wintersgill.
