Subject 4.22 Bid - Cecil Manor Elementary School Water Main Extension Project

Type Action

Recommended Action Superintendent's Recommendation: I recommend that the Board of Education of Cecil County approve the award of PFP #18-11: Water Main Extension Project at Cecil Manor Elementary School to Lindstrom Excavating Contractors, Inc., in the amount of \$239,000.

On behalf of the Facilities Department, the Purchasing Department is recommending an award of contract to the lowest responsive and responsible bidder for CCPS PFP#18-11: *Water Main Extension Project at Cecil Manor Elementary School*. The contractor will be responsible for the installation of a new meter vault and 8" water main, including all appurtenances, from a connection point on the south side of Elk Mills Road to the north side of the existing mechanical room of the school.

The Project also includes the installation of a new fire hydrant and valve. It will also require coordination with Elkton Gas for the installation of a new 2" gas service, which shall run concurrently. Elkton Gas shall be responsible for gas service installation. However, the award bidder shall be responsible for coordination and back-filling of the trench. Work shall include final grading and stabilization of all disturbed areas. Bid Notices were sent to five (5) prospective bidders. We also posted the Bid Notice on E-Maryland Marketplace and the Cecil County Public Schools website. Three bidders participated with the lowest responsive and responsible bid submitted at \$239,000. Funding for this project will be from the Fiscal 2018 School Construction fund, \$175,000 from County Funding and \$64,000 from E-rate rebate Funding.
