

Board of Education of Cecil County  
Elkton, Maryland

### Agenda Item Details

Meeting	Aug 12, 2019 - Board of Education of Cecil County Meeting
Category	4. New Business
Subject	4.21 Amendment to RFP# 20-01: Therapy, Nursing and Other School Based Prof. Services - Add Core Medical Group
Type	Action
Recommended Action	Superintendent's Recommendation: I recommend that the Board of Education of Cecil County approve the amendment to add an additional Contractor, Core Medical Group, to RFP 20-01 for Therapy, Nursing and Other School-Based Professional Services.

Proposals were received in the Purchasing Department of Cecil County Public Schools on April 25, 2019, for the CCPS RFP #20-01: Therapy, Nursing, and Other School-Based Professional Services. All were opened and evaluated. Thirty two were capable of being awarded.

However, the availability of contractors with enough qualified service providers capable of meeting Cecil's needs continues to be challenging. Therefore, a provision in this solicitation allows for other prospective proposers to submit proposals and, if judged to meet the same rigorous award criteria as determined by Special Education, Student Services and the Purchasing Department in RFP# 20-01, they may be added as an awardee pending Board approval.

The Core Medical Group submitted a proposal which was approved by the same evaluation group using the same criteria and is recommended for award of Contract. If approved for award by the Board, these contracted services, if utilized, will be funded through current year budgeted funds.
