Public Content

On behalf of the Maintenance and Operations Departments, the Purchasing Department opened Bids on December 15, 2022, for CCPS Bid #23-09: Propane. A total of 2 people attended the bid opening. Five (5) bids were received from the following companies:

Suburban Propane
Southern States Cooperative
Tri Gas & Oil
FAR Group

Sharp Energy

Summary of Work: Cecil County Public Schools sought vendors for the delivery of propane gas on a per-gallon basis to multiple schools throughout Cecil County. The average gallons referenced on the bid tab are only estimates based on the previous year's usage. The actual gallons ordered will depend on the needs of the school system.

Operating funds are used for this expenditure. The contract will be in effect for one (1) year with the intended option of four (4) one-year additional periods of renewal upon mutual agreement.

I recommend that the Board of Education of Cecil County award CCPS Bid #23-09: Propane in the annual amount of approximately \$73,945 to Sharp Energy, Inc.
