### CCPS RFP # 24-02 – Secure Entrances – Conowingo Elementary School

#### ADDENDUM #2

**This addendum is to provide clarification on the site protection and logistics due to the projection being an occupied building renovation.** Proposers and related parties will be responsible to have read and understand all documents, the scope of work, addenda and all related solicitation documents issued. These documents will become attached to and part of the solicitation and award of bid contract.

#### ITEM No. 1 GENERAL CLARIFICATIONS

1. Contractor shall provide a secure transaction window in new temporary secured vestibule.
2. Contractor shall provide new temporary wall and secured door with card access and remote door release functionality.
3. It should be noted that adequate egress can be provided for the occupants while maintaining a secure construction site with dedicated contractor access within the existing building. Demolition work and noisy construction activities (power actuated fasteners for wall framing and continuous screw fastening of gypsum wall board) to be performed on second shift. Additionally, electrical, fire alarm, and plumbing must remain undisrupted during school day.
