Bids were opened on February 24, 2022, at 2:00 p.m., for Bid# 22-14: Armored Car Services. Prior to that, a Notice to Bidders was posted on the eMaryland Marketplace Advantage bidding board on February 4, 2022. Also, three armored car services bidders serving Cecil County were sent notifications by email. The Cecil County Chamber of Commerce was also notified and the Bid was posted onto the CCPS.org website the same day.

On behalf of Business Services, the Purchasing Department is recommending the award to the sole responsive and responsible bidder. The purpose of this bid is to select a company to fulfill the CCPS requirements to provide secure armored car pick up and transportation of cash, checks and coins from 29 schools and deliver as directed, all monies, properly accounted for, to the CCPS bank of choice.

The Contract is intended to begin after July 1, 2022, using a two (2) day per week pick up from schools during the school year with deposit to our bank.

Pick-ups are scheduled one day per week for elementary schools and two days per week for secondary schools. Pick-ups are one day per week during the summer break.
