Bids were opened on March 17, 2022, at 2:00 p.m., for Bid# 22-16: Drivers' Education Classroom Instruction. Prior to that, a Notice to Bidders was posted on the eMaryland Marketplace Advantage bidding board on March 1, 2022. The MDOT MVA certified and licensed driver's education schools serving Cecil County sent notifications by email. The Cecil County Chamber of Commerce was also notified and the Bid was posted onto the CCPS.org website the same day.

On behalf of Education Services – Secondary Schools, the Purchasing Department is recommending the award to bidders for the purpose of establishing contracts with local Maryland Department of Transportation (MDOT) Motor Vehicles Administration (MVA) certified and licensed driving schools servicing Cecil County. Bidders were asked to offer discounted rates except where regulations prohibit discounting.

The 'Behind-the-Wheel' training is included for bidding purposes as the students will sign a contract with the awarded driving schools, but there will not be any behind the wheel student driving during the school day as part of this bid.

The initial one-year contract period will begin on or about September 1, 2022, and end on or about June 30, 2023. Up to four (4) additional one-year contract renewal periods are possible pending funding, satisfactory performance, pricing, and the need for the specific services as determined by CCPS. The contract maturity date is June 30, 2027.
