Public Content

On behalf of the Maintenance and Operations Department, the Purchasing Department opened Bids on September 9, 2021, for CCPS Bid #22-03: Heating Fuel Oil. A total of three people attended the bid opening. Four bids were received.

The Intent/Scope consists of the following:

Delivery of ultra-low sulfur heating oil on a per-gallon basis. The Contractor must furnish the heating oil to one or more tanks, at multiple sites throughout Cecil County Public Schools and include all licensing, taxes, permits, etc.

The estimated average gallons referenced for the calculation on the bid tab was derived from the average usage of the years 2018 and 2019. The 2020 and 2021 average was not used as these numbers are not representative of actual usage due to the building closures caused by the COVID-19 pandemic. The actual usage may vary in 2022.

Operating funds are used for this expenditure. The contract will be in effect for one (1) year with the option of four (4) one-year additional periods of renewal upon mutual agreement.
