With so many demands on your money, it can be hard to prioritize. Whether you're juggling everyday bills, saving for a specific goal, or paying down debt, your Lincoln retirement consultant (RC) can help you explore ways to manage your financial priorities.

## Not saving in the retirement plan? No problem.

You don't have to be saving in the Cecil County Public Schools 403(b) Retirement Savings Plan to get one-on-one help. Your RC has extensive financial know-how—not just information about planning for retirement. They can help you create a simple budget that may help you manage your money. Want to enroll in the plan? Your RC can help with that, too. Contributing just 1% or 2% of your pay may help your financial future more than you think.

During your meeting, get answers to your questions and focus on things that are relevant to your personal situation, like:

- Paying down debt
- Creating and sticking to a budget
- Saving for your future
- Being prepared for financial emergencies
- Saving for a vacation

It's okay to start small. Little steps can add up and help you achieve your goals.

## Schedule a meeting today

Whatever your financial story, your RC can give you the information you need to write the next chapter. It's fast and easy to set up a meeting. Visit [LincolnFinancial.com/CCBEschedule](https://LincolnFinancial.com/CCBEschedule) and pick a date and time that's convenient for you. Or, contact your RC directly. Lincoln is here to help!
