

Perryville Elementary School

901 Maywood Avenue - Perryville, MD 21903 - 410.642.6540 - schools.ccps.org/pves/

Perryville Elementary School is at the heart of the waterside town of Perryville, Maryland. We are a Pre-School through Grade Five Elementary School supporting all students in inclusive learning environments.

In 2016, we re-opened our doors to a newly renovated school. This school features state of the art classrooms with flexible seating for students to support all learning needs. Additionally, teachers utilize the newest technology with SMARTBoards, sound amplification systems, and Chromebooks using the Google Apps for Education platform. All of these enhancements help us to support student learning.

Instructionally, our talented teaching staff works tirelessly to provide support to students at their instructional levels. Through systematic data analysis, we are able to identify student needs and provide enrichment or support.

Perryville Elementary School:

Learning Today, Leading Tomorrow

Sincerely,

Mrs. Nikole Reckner, Principal

Dr. Jessica Casbolt, Assistant Principal

Other Facts

Perryville Elementary is a School-wide Title I school. We receive additional federal funding to support students who have not yet met proficiency in reading or math. Throughout year, we analyze student performance data, attendance data, behavioral data, and parent and teacher surveys to ensure that all students are receiving appropriate support. This support comes in the form of direct instruction, professional development, data analysis, intervention programs, behavioral and attendance programs, and family engagement opportunities. We are grateful for this support to impact students success.

Accomplishments

- Recognized PBIS (Positive Behavioral Interventions and Supports) school
