North East, Perryville, and Thomson Estates
Elementary School Communities

PLAYGROUPS FOR BIRTH to FIVE FAMILIES

Playgroup is an opportunity for you and your child to get ready for school before entering Preschool, Pre-Kindergarten, or Kindergarten. Children learn best through play, so when you attend weekly playgroups with your child, you are investing in their future educational career as a CCPS Student.

Our playgroup program includes learning to listen when others are speaking, learning to play and share with friends, discovering ways to persevere through a challenge (yes, we mean that wobbly block tower!), understanding and following directions, taking turns, and celebrating our differences and the accomplishments of others. These social and emotional skills are the building blocks for future academic success.

We begin with a time of open play where children can explore a variety of toys and activities. As the adult, you will have the opportunity to engage with your child and other caregivers of young children. We learn how to clean up together and transition into a 10-minute whole group time with a song, story, and fun activity we can all enjoy and continue at home!

For community connections,
resources, and family fun, reach out
today!
