## WHO IS JUDY HOYER?

Judy Hoyer was a well-known and highly regarded early childhood advocate in Maryland. She believed the key to school readiness was coordinated services for the entire family. Judy Centers in the State of Maryland were established in July 2000 to continue her life's work for children and families. They provide a comprehensive set of services for at-risk children, birth to age five and their families. Judy Centers are located in, or affiliated with, elementary schools and provide full-day, full-year services.

The program is funded under the Judith P. Hoyer Early Child Care and Education Center Grant as authorized by the Judith P. Hoyer Early Child Care Enhancement Program, Annotated Code of Maryland, Education Article, Section Paragraph 5-213.
