Twilight School

Twilight School

Does your student need to make up work or bring a grade up? If so, Twilight School may be just what they need.

When:

Tuesdays and Thursdays

Time:

2:30 p.m.—4:30 p.m.

Place:

Bohemia Manor
Middle School

Students may only attend with a teacher referral. If you are interested in your student staying for Twilight School please contact his/her teacher(s) to discuss whether they meet the requirements.

Twilight School is two hours. Students who are recommended to stay need to have enough work to fill that time period. If a student only needs to make up a quiz or test, arrangements should be made for them to stay after with their teacher and not referred to the Twilight School.

All Twilight referrals are due the day before the scheduled Twilight session.

Student participation is on an “as needed” basis, and each session will require a new referral.

If a Student is referred for Twilight school and cannot stay the entire two hours, the office MUST have a note stating when the student will be picked up and by whom.
