A STATEMENT FROM THE SUPERINTENDENT

"Our hearts are heavy today as we mourn the tragic loss of life that occurred as a result of yesterday evening's accident. Not only were they fellow members of our Cecil County community, but they were also students in the CCPS family. The thoughts and prayers of the entire school system are with the family, friends, and loved ones of those involved. We share in their grief and will continue to provide whatever support we can. I would like to thank the first responders and emergency personnel who were present to assist following the accident; the work of these individuals provides a critical service in the most tragic of circumstances and we are forever grateful for their unwavering willingness to do so."
