### **CCPS APPOINTS NEW CFO**

**ELKTON, MD** (April 9, 2019)- On Tuesday, CCPS announced that Ms. Sandra Jack has been named the school system’s new Chief Financial Officer (CFO). Ms. Jack will assume the role officially on July 1, 2019, following the retirement of longtime CFO, Mr. Thomas Kappa.

Ms. Jack has served within the school system since 2002, currently serving as the Supervisor of Business Services. In this position she manages the day-to-day operations of the Finance Department in addition to responsibilities including budget development and management. A lifelong resident of Cecil County, she is a proud graduate of Cecil College. She earned a Bachelor of Science degree in Accounting from Wilmington University and is currently pursuing a Master of Science degree in School Business Leadership from Wilkes University. She is also a graduate of the Cecil Leadership Institute.

“CCPS has an extensive reputation as an award-winning school system due to the outstanding work in the areas of financial management, budget reporting, and overall transparency and fiscal responsibility,” stated Dr. Jeffrey Lawson, Superintendent of Schools. “Ms. Jack has been a respected member of the CCPS Business Services team for seventeen years and I have full confidence in her ability to continue the CCPS reputation as a sound public investment.”
