

The Child Find Program is provided by Cecil County Public Schools to identify children with disabilities not presently being served in the public schools.

Special education instruction and related services are available for children with special needs from birth to 21 years of age.

Emphasis is placed on locating children with disabilities at a young age so that early intervention services can be provided.

Screening and evaluation and any additional services are available at no cost.

Special needs may be in the areas of:

- Vision
- Hearing
- Health
- Behavior

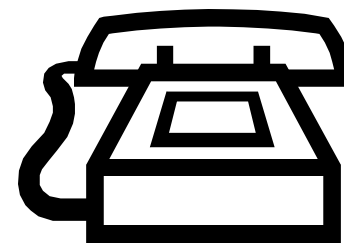

Or involve skills in:

- Fine or gross motor
- Speech and language
- Cognitive or learning
- Social and emotional
- Adaptive or self-help

For more information about the Child Find Program or to make a referral call:

(410) 996-5444

Please share this information with your relatives, friends, and neighbors. It is important that parents of young children are aware of the availability of services before school enrollment age.

We need your help to
find children with
special needs:

Infants

Toddlers

Preschoolers

School Age
