He shall periodically evaluate the program of instruction in the public schools of the County and report his findings to the Board, prepare and recommend for adoption all curriculum guides, courses of study, and other teaching aids as well as prepare lists of necessary textbooks, materials, and equipment needed by the schools and recommend the purchase and distribution of these items by the Board. He shall take the initiative in preparing and presenting the annual budget to the Board and seek in every way to secure adequate funds from local authorities for the support and development of the public schools. He shall recommend to the Board all requirements for buildings and land; recommend to the Board that any school building no longer needed for school purposes be declared surplus in accordance with provisions of law; recommend to the Board any repairs or purchase of school sites or buildings; confer with the State Highway Commission on the location of flashing caution signs at or near school sites. He may administer oaths to witnesses in all appeals or cases that come before the Board; and, unless his tenure or salary or the administration of his office is under consideration, the Superintendent or his designee may attend all meetings of the Board and its committees, serve as an ex-officio member of Board committees, and provide
administrative recommendations on each item of business considered by each of these groups. Superintendent shall receive from the Board, individually and collectively, all criticisms, complaints and suggestions called to its attention, and Superintendent will study these, report back to the Board if requested to do so, and make recommendations he deems appropriate.

C. **Outside Activities**

Superintendent shall devote his full time, attention, skill, and energy to his employment by the Board during the term of this Contract. However, he may, with advance approval of the Board, undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations.

3. **PROFESSIONAL GROWTH OF SUPERINTENDENT**

The Board encourages the continuing professional growth of Superintendent through his participation, as he might decide, in programs conducted or sponsored by local, state, and national school administrator and school board associations; seminars and courses offered by educational institutions; and other informational meetings with other persons whose particular skills or backgrounds would serve to improve the capacity of Superintendent to carry out his professional responsibilities, subject to approval of the Board, which approval shall not be withheld arbitrarily.

4. **COMPENSATION**

**Salary.** The Board shall pay the Superintendent a base salary of one hundred ninety-four thousand dollars ($194,000) for FY 2018-2019. In subsequent years, Superintendent shall receive a cost of living increase equal to that given to other 12-month professional employees, if any. In addition, Superintendent will receive a salary increase of one percent (1%) based upon satisfactory performance as measured by his annual evaluation. The annual salary shall be paid to Superintendent in accordance with the schedule of salary payments in effect for other certificated employees. The Board, in its sole discretion, may adjust the salary of Superintendent further during the term of this Contract based on performance, budget, and other factors as determined by the Board, but in no event shall he be paid less than the salary specified in this Contract. Any additional adjustment in salary made under this provision shall be in the form of an amendment, executed with the same formality as this Contract, and shall become part of this Contract, but it shall not be deemed that the Board and the Superintendent have entered into a new Contract, or that the termination date of the existing Contract has been extended.
5. **LEAVE AND OTHER BENEFITS**

A. Superintendent shall be entitled to the benefits applicable to twelve (12)-month administrative employees, including, but not limited to, leaves, any forms of insurance protection, retirement program, and other administrative employee benefits, except sick leave bank, unless otherwise addressed in this Contract. If addressed in this Contract, contractual provisions supersede those applicable to twelve (12) month administrative employees.

B. **Professional Memberships**

The Board shall pay one hundred (100%) percent of Superintendent's membership charges to the American Association of School Administrators and other specified professional groups, membership in which the Superintendent feels it is necessary to maintain and improve his professional skills, as permitted by State law and as approved by the Board in the annual budget.

C. **Health Care.** The Board will pay the full premium of the two-party benefits for the group health and hospitalization plan elected by the Superintendent. When the Superintendent terminates employment through either service retirement or disability retirement, Superintendent and his spouse may continue to be members of the Board’s group health and hospitalization plan with the full premium paid by the Board for the plan elected by the Superintendent or, when appropriate, that plan’s Medicare adjusted plan. Should the Superintendent’s spouse survive him, his spouse may continue to be a member of the Board’s group health and hospital plan with full premium paid by the Board for the plan elected, or that plan’s Medicare adjusted plan. If the Superintendent’s spouse is unable to continue to provide health and hospitalization insurance for the Superintendent’s child(ren) and the children qualify for coverage under the Board’s group health and hospitalization plan, Superintendent may elect a health and hospitalization plan that covers the child(ren), and in such event, he shall be responsible only for the difference in cost resulting from coverage for the child(ren).

D. **Term Life Insurance.** The Board will make available to the Superintendent a plan of term life insurance, including accidental death and dismemberment benefits for two and one-half (2.5) times the Superintendent's base salary specified in Paragraph 4. above.

E. **Retirement.** The Board shall pay seven percent (7%) of the retirement costs of the Superintendent to the Maryland State Retirement System. This rate will be seven percent (7%) of his base salary.
F. **Non-Elective Contribution to Tax Sheltered Annuity.**

The Board shall pay a non-elective contribution of twelve percent (12%) of the Superintendent's base salary to a tax sheltered annuity plan elected by the Superintendent, provided the plan is sponsored by a company eligible to provide tax sheltered annuity products to Cecil County Public Schools employees.

G. **Accrued and Carried Over Leave.**

The Board will allow the Superintendent to carry over to his current accrued and unused annual leave and accrued and unused sick leave. The Superintendent will be advanced 24 annual leave days, 2 days earned per month, on July 1st of each Contract year. Should he fail to complete any year of the Contract, the annual leave shall be pro-rated and Superintendent will reimburse the school system for any leave used, but not accrued. Superintendent shall have the option to be paid, at his then applicable per diem rate, for one-half, or a maximum of twelve (12) days, of earned, but unused, annual leave at the end of each contract year. Upon termination of Superintendent’s employment, the Board will pay Superintendent, at his then applicable per diem rate, for up to fifty (50) days of accumulated, but unused, annual leave.

H. **Incentive for Contract Completion.**

As an incentive to encourage completion of the four-year term, unless he is unable to do so due to death or disability, the Board shall pay Superintendent, at his then applicable per diem rate, for up to fifty (50) days of accrued, but unused, sick leave.

6. **EXPENSES**

A. The Board shall pay Superintendent additional compensation of nine thousand dollars ($9,000) per year as a vehicle allowance. This amount will be paid in equal installments in accordance with the payroll schedule in effect for other certificated employees. Appropriate deductions will be made as this amount will be incorporated with the salary payment. Each year the Board will establish guidelines for travel expenses. All travel expenses will be in keeping with those allotted to all other staff employees unless special exemptions are allowed by the Board.

B. In addition, Superintendent is entitled to the same expense privileges available to 12-month employees and he may be granted additional expense privileges at the option of and in the sole discretion of the Board.
7. PROFESSIONAL LIABILITY

A. The Board agrees that it shall defend, hold harmless, and indemnify Superintendent, except as to criminal litigation, from any and all demands, claims, suits, actions, and legal proceedings brought against Superintendent in his individual capacity, or in his official capacity as agent and employee of the Board, provided the incident arose while Superintendent was acting within the scope of his employment without malice and without gross negligence to the extent such liability coverage is within the authority of the Board to provide under State law without waiving any applicable governmental immunity. In no case will individual Board members be considered personally liable for indemnifying Superintendent against such demands, claims, suits, actions, and legal proceedings. The Board will provide insurance to cover Superintendent under this section.

B. If, in the good faith opinion of Board, a conflict exists in the defense to such claim between the legal position of Superintendent and the legal position of the Board, the Superintendent may engage counsel as may be permitted by and under the conditions specified by the Board’s insurance carrier.

C. Regardless of any other provision herein, the Board shall not pay any costs of legal proceedings in the event Board and Superintendent have adverse interests in any litigation or legal proceeding.

D. The Board agrees to reimburse Superintendent for reasonable counsel fees incurred by him in connection with (1) a criminal investigation, if the investigation has concluded and criminal charges have not been filed, or (2) in defending against any criminal charges, if final disposition of all charges does not result in a plea of nolo contendere, a guilty plea, or a finding of guilt provided that the act complained of arose out of the scope of his employment and he acted in good faith without malice or without gross negligence.

8. GOALS AND OBJECTIVES

Each year, prior to the beginning of the school year, the Board shall initiate, as needed, a meeting to establish Board goals and objectives. Said goals and objectives shall be reduced to writing and be among the criteria by which Superintendent is evaluated as hereafter provided.

9. EVALUATION

A. The Board shall informally evaluate and assess (verbally) the progress of the agreed upon goals and objectives no later than January 30th each year of this Contract.
B. The Board shall formally evaluate and assess (in writing) the performance of Superintendent annually no later than June 30\textsuperscript{th} of each year of this Contract. This assessment shall be reasonably related to the position description of Superintendent and the goals and objectives of the County. A copy of the written evaluation shall be delivered to the Superintendent. In the event that the Board determines that the performance of the Superintendent is unsatisfactory, in any respect, it shall describe in writing, in reasonable detail, specific instances of unsatisfactory performance. Superintendent shall have the right to make a written reaction or response to the evaluation. This response shall become a permanent attachment to the Superintendent's personnel file. Within sixty (60) days of the delivery of the written evaluation to Superintendent, the Board shall meet with the Superintendent to discuss the evaluation.

10. TERMINATION OF EMPLOYMENT CONTRACT

This Employment Contract may be terminated by:

A. Mutual Agreement of the Parties

B. Retirement of Superintendent

After having served one full year under this contract (i.e. after June 30, 2019), Superintendent may elect to take service retirement effective June 30\textsuperscript{th} of any year remaining under this Contract, provided he so notifies the Board in writing of his intention to retire on or before February 1\textsuperscript{st} of that year.

C. Disability of Superintendent

In the event of disability by illness (physical or mental) or incapacity (physical or mental), after Superintendent's leave has been exhausted, the compensation shall be reinstated after Superintendent has returned to employment and undertaken the full discharge of her duties. The Board may terminate his Contract by written notice to Superintendent at any time after Superintendent has exhausted any accumulated sick or such other leave as may be available, and has been absent from his employment for whatever cause for an additional period of thirty (30) work days, whether consecutive or non-consecutive, unless further extended by Board action. All obligations of the Board shall cease upon such termination, except that if the Superintendent qualifies for disability retirement, the Board will pay the full premium for the group health and hospitalization plan elected by the Superintendent or available as a medicare supplement.

If a question exists concerning the capacity of Superintendent to return to his duties, the Board may require Superintendent to submit to a medical or psychiatric examination, or both, to
be performed by a doctor or doctors licensed to practice medicine. The Board and Superintendent, or his designated representative, shall mutually agree upon the physician or physicians who shall conduct the examination. The examination shall be done at the expense of the Board. The physician shall limit his or her report to the issue of whether Superintendent has a continuing disability which prohibits him from performing all of his duties.

D. **Discharge for Cause**

Discharge for cause shall constitute conduct, which is seriously prejudicial to the Board, including but not limited to breach of contract, immorality, misconduct in office, insubordination, incompetency, willful neglect of duty, or a willful violation of the Board’s ethics policy. All obligations provided under this Contract that are in addition to benefits provided in the July 1, 2016 to June 30, 2019 negotiated agreement between the Board and the Cecil County Public Schools Administrators and Supervisors Association shall be forfeited.

E. **Unilateral Termination by Board of Education**

The Board may, at its option, and by a minimum of ninety (90) days’ notice to Superintendent, unilaterally terminate this Contract. In the event of such termination, the Board shall pay to Superintendent, as severance pay, all of the aggregate salary, leave benefits, and other retirement benefits he would have earned under this Employment Contract from the actual date of termination to the termination date set forth in this Contract, unless otherwise negotiated by the parties.

F. **Death of Superintendent**

Other than the Board’s obligation under Section 5.C. and Section 7, which shall continue, all obligations of the Board shall cease upon such termination.

G. **Non-Renewal of Contract at Expiration of Term**

Other than the Board’s obligation under Section 5.C. and Section 7, which shall continue, all obligations of the Board shall cease upon such termination.

**11. RESIDENCY**

The Board requires that Superintendent establish residency in Cecil County, MD, no later than the end of his second Contract year and maintain such residency for the duration of the Contract and any extensions thereof.
12. OTHER PROVISIONS
Notwithstanding any language in this Contract, neither the Board nor this Contract may cause Superintendent to violate any local, state, or federal laws or bylaws of the State or local Board of Education.

13. SAVINGS CLAUSE
If, during the term of this Contract, it is found that a specific clause of the Contract is illegal under federal or state law, the remainder of the Contract shall not be affected, but shall remain in force.

14. NO OTHER REPRESENTATIONS
By signing this Contract, the Board and Superintendent represent that they have read and fully understand this Contract and acknowledge that they have not relied upon any written or oral representation not expressly contained in this Contract.

15. APPLICABLE LAW
This Contract shall be governed by and construed in accordance with the State of Maryland.
