Additional withholding per pay period under agreement with employer. If you are not having enough tax withheld, you may ask your employer to withhold more by entering an additional amount on line 2.

Exemption from withholding. You may be entitled to claim an exemption from the withholding of Maryland income tax if:

a. Last year you did not owe any Maryland income tax and had a right to a full refund of any tax withheld; AND

b. This year you do not expect to owe any Maryland income tax and expect to have a right to a full refund of all income tax withheld.

If you are eligible to claim this exemption, complete Line 3 and your employer will not withhold Maryland income tax from your wages. Students and Seasonal Employees whose annual income will be below the minimum filing requirements should claim exemption from withholding. This provides more income throughout the year and avoids the necessity of filing a Maryland income tax return.

Certification of nonresidence in the State of Maryland. Complete Line 4. This line is to be completed by residents of the District of Columbia, Pennsylvania, Virginia or West Virginia who are employed in Maryland and who do not maintain a place of abode in Maryland for 183 days or more.

Line 4 is NOT to be used by residents of other states who are working in Maryland, because such persons are liable for Maryland income tax and withholding from their wages is required.

If you are domiciled in the District of Columbia, Pennsylvania or Virginia and maintain a place of abode in Maryland for 183 days or more, you become a statutory resident of Maryland and you are required to file a resident return with Maryland reporting your total income. You must apply to your domicile state for any tax credit to which you may be entitled under the reciprocal provisions of the law.

Under the Service members Civil Relief Act, as amended by the Military Spouses Residency Relief Act, you may be exempt from Maryland income tax on wage or salary income, regardless of the length of time you may have spent in Maryland.

Upon receipt of any exemption certificate (Form MW 507), the Compliance Division will make a determination and notify you if a change is required.

Duties and responsibilities of employer. Retain this certificate with your records. You are required to submit a copy of this certificate and accompanying attachments to the Compliance Division, Compliance Programs Section, 301 West Preston Street, Baltimore, MD 21201, when received if:

1. you have any reason to believe this certificate is incorrect;
2. the employee claims more than 10 exemptions;
3. the employee claims an exemption from withholding because he/she had no tax liability for the preceding tax year, expects to incur no tax liability this year and the wages are expected to exceed $200 a week;
4. the employee claims an exemption from withholding on the basis of nonresidence; or
5. the employee claims an exemption from withholding under the Military Spouses Residency Relief Act.

Under the penalty of perjury, I further certify that I am entitled to the number of withholding allowances claimed on line 1 above, or if claiming exemption from withholding, that I am entitled to claim the exempt status on line 3, 4 or 5, whichever applies.
Personal Exemptions Worksheet

Line 1

a. Multiply the number of your personal exemptions by the value of each exemption from the table below. (Generally the value of your exemption will be $3,200; however, if your federal adjusted gross income is expected to be over $100,000, the value of your exemption may be reduced. Do not claim any personal exemptions that you are currently claiming at another job, or any exemptions being claimed by your spouse. To qualify as your dependent, you must be entitled to an exemption for the dependent on your federal income tax return for the corresponding tax year. NOTE: Dependent taxpayers may not claim themselves as an exemption.. .................................................... a. 

b. Multiply the number of additional exemptions you are claiming for dependents who are 65 years of age or older by the value of each exemption from the table below. ................................................. b. 

c. Enter the estimated amount of your itemized deductions (excluding state and local income taxes) that exceed the amount of your standard deduction, alimony payments, allowable childcare expenses, qualified retirement contributions, business losses and employee business expenses for the year. Do not claim any additional amounts you are currently claiming at another job; or any amounts being claimed by your spouse. NOTE: Standard deduction allowance is 15% of Maryland adjusted gross income with a minimum of $1,500 and a maximum of $2,000. .................................................... c. 

d. Enter $1,000 for additional exemptions for taxpayer and/or spouse at least 65 years of age and/or blind. .......................................................... d. 

e. Add total of lines a through d. ..................................................................................... e. 

f. Divide the amount on line e by $3,200. Drop any fraction. Do not round up. This is the maximum number of exemptions you may claim for withholding tax purposes. .................................................... f.
