**TO:** Parents of Students in Title 1 Schools

**FROM:** D’Ette W. Devine, Ed. D., Superintendent of Schools

**DATE:** August 22, 2012

**SUBJECT:** Parents’ Right to Know in Title 1 Schools

---

The *No Child Left Behind Act of 2001*, which was signed by President Bush on January 8, 2002 says that parents have the right to know the qualifications of the people who teach their children. The Cecil County Public School System is pleased with the level of skill and competence of our teacher workforce. We will provide this information as requested. If you would like to know the specific qualifications of your child’s teacher and/or paraprofessional, please send the office of your child’s school a written request.

**Our Mission:** to provide an excellent Pre-Kindergarten through graduation learning experience that enables ALL students to demonstrate the skills, knowledge and attitudes required for lifelong learning and productive citizenship in an ever-changing, global society.
