**TUITION INFORMATION: \$1620.00\* for a three (3) credit course. All courses listed below are 3 Graduate Credits**

**\*Fall Semester only-\$300.00 discount off tuition for the following two courses: 1. Developing a Technology Rich Classroom**

**2. Strategies for ADHD, LD, and a Spectrum of Learners**

Cecil County Public Schools and RTC have a Direct Tuition Reimbursement Agreement. Please check with your Human Resources Department for eligibility. Pre-registration is required. You may register by calling 1-800-433-4740 or online at [www.theRTC.net](http://www.theRTC.net).

**Course Formats:**

The Live-Virtual classroom courses will use Zoom as the virtual platform. Although you will be meeting in a structured format, there will be activities away from the group meeting that mirror our in-person classes as well as breaks during the day. Some activities include group collaboration, article and textbook reading, presentation planning, lesson design, online activities, classroom reflection, journaling, and more that make an RTC course hands-on, collaborative and relevant. A Learning Extension Project (LEP) is due no later than two weeks after the last in-class meeting. The LEP submission deadline marks the conclusion of the course.

Our well received online courses are in a 6-week instructional format and some are in a 4-week instructional format. A Learning Project (LEP) is due no later than one week after the last published date. The LEP submission deadline marks the conclusion of the course.

**\*GTR-Guaranteed to Run courses – the courses noted as such are guaranteed to run no matter how many participants are registered.**
