

# Cecil County Public Schools

## PROUD STEVENSON UNIVERSITY ONLINE PARTNER

### Partnership Benefits

- 100% online for your work/life balance
- Affordable and accessible with financial aid available
- No GRE or standardized tests required
- No application fee
- Personalized attention in a supportive community
- Expert faculty with real-world experience

### 100% online programs offer flexibility for busy teachers.

#### National Board Teaching Professional

This certificate is designed to support teachers as they pursue National Board Certification (NBC). Additionally, at completion of the 12-credit program, graduates will receive a Post-Baccalaureate Certificate in National Board Teaching Professional.

##### Courses:

- Foundations of National Board Certification
- Content Knowledge Assessment for National Board Certification
- Mentorship for National Board Certification I
- Analysis of Teaching Practice for National Board Certification
- Mentorship for National Board Certification II *\*this course is optional*

*Credits earned during the program will apply towards a Master's of Education (MEd) in Integrative Learning.*
