Welcome to Cherry Hill Middle School, where our mission is to maximize students' potential through collaboration, quality instruction, and by building positive relationships so that all students can aspire toward a positive, productive future.

To achieve this mission our staff works diligently to provide challenging, engaging and exciting lessons each day. Our School Improvement Plan focuses on collecting and analyzing relevant data to make informed instructional decisions. This formative assessment process will help our students become more informed learners as well.

Our staff is committed to continuous, professional development activities that will allow for implementation of school-wide objectives to improve overall student achievement. We are excited to be on this journey together with you. Go Cougars!

Ann Little, Principal
Jody Dallas, Assistant Principal
