North East Middle School aims to create a safe and secure learning environment in which students are held to high behavioral and academic expectations. Our staff members work diligently to meet the needs of ALL students using high quality instructional practices and collaborative teaching strategies. Through the use of appropriate student supports and rigorous standards and curriculum, students are helped to realize their full potential.

We believe in partnering with parents and our community to provide comprehensive supports to make a lasting difference in and around our school community. When we capitalize on the strengths of our students and support their areas of need, we are able to challenge each student to achieve their very best. Student achievement is everyone’s responsibility. We look forward to partnering with you to help every student be successful!

Anthony R. Evans, Principal
Travis Benner, Assistant Principal
Holly K. Spangler, Assistant Principal
Matthew Wharton, Assistant Principal

Other Facts

- Our teachers participate in ongoing professional development to support student achievement. For many of our staff members, this includes Masters Degree course work.
- Our school business partner, APGFCU, works to support our school activities throughout the school year including our Bulldog Backpack program, and they teach financial literacy lessons at all grade levels.
