We are in this **together** making tomorrow better than today!

**Our Mission**

Bohemia Manor serves to educate and prepare all learners to be capable and productive members of society. By providing engaging and relevant instruction, we strive to build positive relationships on the foundation of respect, responsibility and cooperation.

**Core Values:**
- Creating a climate of mutual respect and pride
- Ensuring engaged and active learning
- Employing modern and innovative instructional techniques and technology
- Maintaining open and constant communication.

Bohemia Manor High School serves the communities of Chesapeake City, Cecilton, Warwick, Earleville and parts of Elkton. Bohemia Manor is a community which prides itself in providing a high quality educational environment for our students. Our staff are experts in developing challenging learning experiences tailored to individual students needs. Student-teacher relationships are stronger because students are able to interact with staff on a regular basis due to the small student population. Students feel a great sense of engagement, belonging, and personal value. Parent and community involvement is focused on learning and high-quality instruction. Bohemia Manor is also known for its rich school spirit, extra-curricular activities, and being the center of the community. Together we can make tomorrow better than today.

Justin Zimmerman
Principal
