Moving in the Right Direction from Great to Excellent!

Our Mission:
We celebrate our diverse and innovative learning community. North East High School prepares all students for responsible citizenship, for lifelong learning, and for the achievement of their highest potential in a progressive society, by providing differentiated, quality instruction.

WE BELIEVE...
All students are valued.
All students can learn and be successful.
A student's success is a collaborative effort between school, student, family and community.
The educational community works together to establish high expectations to ensure that each student reaches his/her academic potential.
A safe, orderly learning environment is necessary for academic success.
Life-long learning tools including technological skills are necessary to empower students to succeed in a changing society.
Differing talents, abilities, cultures, and values strengthen our school community.
The development of ethics, character and citizenship is an essential part of our learning process.
