### Other Resources in Business Services

- Ascent – online access to CIMS
- Business Services Reporting System (http://apps.ccps.org/bsrs/)
- Chart of Accounts Dictionary
- CIMS – financial accounting software
- Employee Self-service – access for each employee to payroll related items
- Handbooks for school offices and central offices
- Webextender – lookup of paid invoices
- Website – source of information, documents, and forms related to Business Services
MANAGEMENT AND RESPONSIBILITY
Management and Responsibility of Funds – Central Office

Guiding Principles:
Cecil County Public Schools’ (CCPS) procedures outlined in this manual are based on Generally Accepted Accounting Principles (GAAP) and reporting requirements determined by the Governmental Accounting Standards Board (GASB) whose pronouncements are issued in the Governmental Accounting, Auditing, and Financial Reporting Manual (GAAFR). Further policies and regulations specific to CCPS are issued by our Board of Education (Board), governed by the Education Article of the Code of Maryland Regulations (COMAR) and the Annotated Code of Maryland Regulations. Cecil County Public Schools’ policies and regulations can be viewed on the website at www.ccps.org. From the website homepage, select “Administration” and then select “Policies/Procedures.”

Principle of Internal Controls:
- The most important principle of internal control is the separation of duties so no one person controls all aspects of a transaction.
- The involvement of two or more persons in each transaction encourages honesty and accuracy while creating a system of checks and balances.

Funds are classified in two fund types:

General Operating Funds (Board Funds) account for activities under the responsibility of CCPS. General Operating Funds are determined by the Board of Education’s approved operating budget.

Fiduciary or Agency Funds (Student Activity Funds and Faculty Funds) account for activities in which CCPS acts solely as a custodian for someone else. They cannot be used to support CCPS programs. Fiduciary Funds contain resources held on a temporary, purely custodial basis such as Student Activity Funds and Faculty Funds. Student Activity Funds are generated by and belong to the student body composed of those students currently enrolled in the school and are for expenses directly related to extra-curricular activities. As part of the educational experience, student groups must assume responsibility for budgeting, control, and disbursement of funds as agreed upon by the administration, student advisors, and student groups. Faculty Funds are generated by and belong to the faculty which is composed of staff members currently assigned to the school and are for expenses directly related to faculty activities.

Fiscal Responsibility and Accountability:
- Ensure fiscal accountability of all funds in accordance with Board policies and regulations.
- Ensure processes are in place to adequately control the funds, including security over cash and records.
- Ensure every account maintains a positive balance.
- Initiate budget amendments (BA-1 form) prior to making purchases, if necessary.
- Ensure purchases made are appropriate for the type of account charged (i.e., do not purchase classroom supplies from the meetings and conference account).
- Communicate appropriate financial procedures to staff members.
- Review financial reports from CIMS on a monthly basis.
- Notify the Superintendent and Chief Financial Officer immediately upon suspicion of fraud.
- Ensure invoices have the appropriate approval and are delivered to Business Services in a timely manner.
- Ensure financial activity related to the expenditure is recorded correctly.
- Review monthly transaction reports and purchasing card logs for accuracy, and advise Business Services of any discrepancies.
Chart of Accounts:
- A Chart of Accounts Dictionary for Board funds is available on the Business Services website.
- Creation of new account numbers is controlled by the Business Services Department in order to ensure account numbers remain standardized.
CASH COLLECTION AND DEPOSIT
Procedures for Cash Collection and Deposit

General Information:
- Individuals collecting funds must submit those funds daily in a sealed Cash Collection Envelope (CCE) to Business Services with the following information (Exhibit 1):
  - Amount collected
  - A record of from whom the funds were collected
  - Reason for collection of funds
  - Account number to be credited
  - Date
  - Name and signature of the individual who turned in the funds
- Cash must be submitted as received (i.e., exact currency; do not make change from cash collected).
- Expenditures must never be paid from the cash collected.
- Personal checks must not be cashed.
- Board cash should not be sent through the pony. Personal cash sent through the pony is at sender’s risk.
- All checks are to be stamped “For Deposit Only” on the day they are received in the Business Services department. Checks are not to be held without having this restrictive endorsement stamped on the back of the check.
- Business Services is to make deposits daily.
- All funds pending deposit are to be secured in a locked location. The use of locked location for overnight storage of funds should be kept to a minimum. Funds should never be left unattended or accessible to unauthorized personnel.

Issuing a Receipt:
- A receipt must be issued every time cash funds are received. If computer generated receipts are not available, a pre-numbered receipt must be issued.
- At a minimum, receipts should be in triplicate.
- Receipts should be issued in the name of the individual turning in the funds and in strict numerical order.
- Only one receipt book per department/office suite should be in use at a time (for use when a computer generated receipt is not available).
- A receipt should not be altered. If there is an error, void and retain all copies of the receipt and produce a new one.

Non-sufficient Fund (NSF) checks:
- Notices for deposited checks returned from the bank due to non-sufficient funds will be sent to the individual who collected the funds. It is their responsibility to collect the replacement funds in cash.
- The Department of Business Services will remove the payment from the general ledger.
- When the cash replacement is collected, the deposit of those funds will be to the same account as the original payment.
- Checks should no longer be accepted from an individual who has presented a non-sufficient fund check.

Collection of Maryland Retail Sales Tax:
- Departments that engage in fundraising activities (i.e., Destination Imagination; art auction) or have taxable sales must collect sales tax and identify that amount at the time of deposit.
The CCPS license number is used to make tax free purchases for resale and to remit tax collected on the sale of those items. A Resale Certificate must be presented to the merchant at the time of purchase (Exhibit 2).

- Sales tax will be remitted to the State of Maryland by the Department of Business Services.
- Examples of taxable merchandise include, but are not limited to:
  - Artistic Work
  - Books
  - Candy
  - Flowers
  - School supplies
  - Spirit wear items
  - Vending machine items
- Examples of tax exempt items include, but are not limited to:
  - Cookies and other baked goods
  - Cheese and meat products
  - Nuts
  - Pizza kits
  - Popcorn and other snack foods
  - Vegetable plants and seeds

**Gifts and Donations:**
- Gifts and donations cannot be solicited without prior approval from the Superintendent.
- Contact the Department of Business Services prior to accepting gifts and donations.
- Non-cash donations must be evaluated to determine whether they are classified as fixed assets. Contact the Purchasing Department prior to accepting any non-cash donation of equipment and see the Purchasing Section of this handbook for additional information.
- Donations to governmental agencies may be tax deductible. A letter can be sent to the donor to certify we are a component unit of Cecil County, Maryland government (Exhibit 3).
- Departments accepting gifts and donations should acknowledge receipt by sending a letter of appreciation to the donor. A copy of the letter should be maintained for auditing purposes.

**Admissions Procedures:**

**Issuing Cash Box Funds:**
- Cash box funds are established to make change for customers during events that charge admission or sell items.
- When creating a cash box, a general voucher payable to the person responsible for the activity should be completed no less than two days prior to the event. Contact Business Services for the proper account number and include a purpose on the general voucher. A metal lockable cash box is available in Business Services for your use.
- Purchases may never be made from the cash box funds.
- Money may not be borrowed from the cash box funds.
- A *Record of Admission Receipts* form (Exhibit 4) will be distributed with each disbursement for cash box.
- The person collecting funds for the event must always count the funds in the cash box prior to and following the event.
- When not in use, the cash box should be kept locked and in a secure location.
- The cash box funds must be returned to Business Services in full the next business day or at the conclusion of the event detailing the issued date and purpose.
Ticket Sales:
- Pre-numbered tickets must be used for all events when admission fees are collected.
- Different colored tickets should be available to provide control for differentiated admission fees and colors should be rotated between events for different admission prices.

Prior to Event Sales:
- An inventory of pre-numbered tickets must be kept and reconciled to the funds collected and the tickets remaining.
- A numbered receipt must be issued for all cash sales.
- Funds collected must be turned into Business Services daily using a cash collection envelope.
- Purchases may never be made from the funds collected.
- Funds may not be borrowed from the event sales.

At Door Sales:
- One person must collect funds and distribute tickets. A second person must collect the tickets, tear each in half, and give one half back to the attendee.
- The three part Record of Admission Receipts form (available in Business Services) must be completed and signed at the conclusion of the event by the person collecting the funds (Exhibit 4). Another representative must verify the funds collected and sign the Record of Admission Receipts form. All parts of the Record of Admission Receipts form should be distributed as indicated on the form.
- If there is more than one entrance to the event, a consolidated Record of Admission Receipts form must be prepared. The individual entrance records must be maintained with this consolidated form as back-up documentation.
- All cash receipts must be placed in a locked or secure location as determined by the facilitator of the event.
- The Department of Business Services will verify and sign the Record of Admission Receipts form the following business day. If there is a discrepancy between the funds on hand and the amount indicated on the Record of Admission Receipts form, it will be reported to the CFO immediately.
This Page Intentionally Left Blank
CASH DISBURSEMENTS
Procedures for Cash Disbursements of Board of Education Funds

General Information:
- Funds are available through budgeted accounts in the CCPS centralized accounting system called CIMS.
- Payments must be made from the appropriate accounts. If funds are not available in the account, then account transfers (BA-1 form) must be completed to correct any negative balance.
- All collection and disbursement of these funds are completed in the Department of Business Services.
- These funds are referred to as “Board Funds.”

Exemption from Maryland Retail Sales Tax:
- Cecil County Public Schools is a governmental agency and thus is exempt from Maryland retail sales tax when purchasing items for instructional or operational purposes.
- Use the Tax Exempt Account Number (30001151) issued on the Sales and Use Tax Exemption Certificate for purchases related to the education process or operation of the school system (Exhibit 5).
- The Sales and Use Tax Exemption Number is not to be used for fundraising activities or expenses using Social Committee funds.

Vendor Information:
- CCPS is required by law to provide a 1099 to certain vendors at calendar year end. The W-9 provides the information needed to determine which vendors need to receive a 1099, the legal name of the business (as shown on their tax return), their taxpayer identification number, and certification from the vendor that they are exempt from backup withholding. The W-9 is a common IRS form which should be familiar to all businesses.
- Provide the CCPS Substitute W-9 and Debarment Form available on the Business Services website to any new vendor (Exhibit 6). The vendor supplies the information needed to send a 1099 on the W-9 form.
- Payments will not be made to vendors until a W-9 form is received.
- When a W-9 is received, the Purchasing Department will update vendor records to include the unique Tax Identification Number from the W-9.
- Certain organizations are exempt from 1099 reporting, including:
  - Corporations (except providers of medical or legal services)
  - Tax-exempt entities (such as non-profit 501(c)(3) groups)
  - Government entities
- Employees must be paid through payroll. Example: John Doe (teacher) is umpiring tonight’s game. He must be paid through payroll. Exception: John Doe (teacher) has a catering business and is catering a function at school tonight. He is a contractor and needs to complete a W-9.
- See Exhibit 7 for answers to frequently asked questions regarding 1099s.

Disbursement Methods:
There are six methods to spend funds:
- Invoice Payment
  - Goods or services are ordered from a vendor and an invoice is received for payment.
  - All invoices should be submitted for payment promptly.
  - The authorized signer(s) must approve every invoice on an individual basis prior to payment being issued. For example, if multiple invoices are being paid to the same vendor, all invoices must be approved for payment. Such approval must contain the following information:
- An authorized signature(s)
- Account(s) to be charged
- The date payment is approved
  - The red voucher stamp should be utilized to record the above information. All invoices must evidence receipt of goods or services (Exhibit 8). The packing slip, when available, must be verified and signed by someone other than the person who placed the order. The packing slip must be maintained with the invoice.
  - Payments will only be made from original invoices or receipts. Payments will not be made from statements.
  - Upon final approval, the invoice is submitted to the Department of Business Services for payment.
  - All supporting documentation, such as the invoice, check stub, packing slips, etc., will be maintained together in Business Services.
  - Central Office checks are issued by the bank; therefore, attachments are not included with invoice payments.

- Purchase Order (PO)
  - If a vendor accepts a PO to process order requests, use CIMS to create a PO for the vendor.
  - The PO is submitted electronically for approvals.
  - The Purchasing Department receives the approved PO and faxes the order to the vendor.
  - A staff member other than the person who entered the PO marks the PO items as received in CIMS.
  - The invoice and all supporting documents are submitted to the Department of Business Services for payment to the vendor. Payments may only be processed from original invoices.
  - See the Procedures for Purchase Orders section for more information.

- Purchasing Card (P-Card)
  - Staff may apply for a P-Card to make purchases.
  - After obtaining approval, employees place orders for goods or services with a vendor and pay for the item using a CCPS issued credit card.
  - P-Cards are either assigned to a specific account number or have access to all of the account numbers for the assigned department.
  - The purchasing card charges are updated in CIMS twice a month.
  - CCPS makes all payments to the credit card company.
  - See the Purchasing Card section for more information.

- Employee Reimbursements
  - Employees should not use personal funds to purchase any goods or services to be reimbursed at a later date. However, if with prior approval, an employee must make a purchase for instructional materials with personal funds, reimbursement may be requested.
  - The employee must submit all original invoices and/or itemized receipts with a red voucher stamp (Exhibit 9). The Vendor Number is the Employee’s ID number when the employee is being reimbursed.
  - The employee may be required to provide proof of payment such as a bank statement or canceled check, etc.
  - Maryland sales tax will not be reimbursed.
  - Employees receive reimbursement via payroll.
- Employee reimbursements are not taxable and are not reflected on annual W-2 earning statements.

- Employee Time sheets
  - An appropriate time sheet (i.e., meeting, workshop, etc.) must be submitted to the Payroll Department with proper approvals, charging a Board salary account for the expenses incurred.
  - See the Payroll section for more information.

- Employee Travel Reimbursements (*Refer to Regulation DLC-RA*)
  - CCPS employees are eligible for travel reimbursement, according to their negotiated agreement, for CCPS approved activity above and beyond their normal daily commute.
  - Employees must submit a *Travel Reimbursement Voucher* indicating the reason for the travel, the amount due, and the Board account number to be charged (Exhibit 10).
  - A current Travel form and instructions are available on the Business Services website.
  - Travel reimbursement requests must be submitted monthly and will not be reimbursed after 60 days.
  - Employees receive reimbursement via payroll.

**CIMS Account Numbers:**
- CCPS uses a seventeen digit account number to record financial activity in accordance with Maryland State Department of Education reporting.
- Every account number provides a specific description, including the type of expense, the location, the funding source, and the discipline.
- There are six types of expenses: Salaries & Wages, Contracted Services, Supplies & Materials, Other Charges, Equipment, and Transfers.
- Purchases must be charged to the appropriate account description. For example, classroom supplies should not be charged to a textbook account.
- Refer to the *Chart of Accounts Dictionary* available on the Business Services website.
- Appropriate staff members have access in CIMS to review and input financial activity for their individual department. This access provides the capability to review account activity and balances, enter and receive POs, search vendor information, and print expense reports. Contact the Manager of Business Services to request additional access in CIMS.

**Budget Amendments:**
- A request to move budgeted amounts between accounts may be made through a budget amendment process.
- If funds are not available in an account, a *BA-1* form (Exhibit 11) must be submitted to cover all expenses.
- A *BA-1* form, available through the Department of Business Services website, must be completed noting the amount to be transferred and accounts to be charged.
- All transferred amounts must be rounded to the nearest dollar.
- *BA-1* forms cannot be used to change grant funding.
- All *BA-1* forms require approval signatures of an Executive Director or Director before being processed by the Department of Business Services.
- A *BA-1* form will correct a budgeted amount of an account not an expense. If an expense is charged to an incorrect account, notify the Department of Business Services to have the expense moved to the correct account.
Financial Reports:

- Schools/Departments/Grant managers historically have received a CIMS monthly report that summarizes financial status at the end of every month. This computer generated printout shows all of the relevant accounts recorded in CIMS, reflecting budgeted amounts, expenses to date, encumbrances, and available balances.

- The Business Services Reporting System at http://apps.ccps.org/bsrs/ provides a web based reporting function. This web based option was introduced in the 2014/2015 school year and will eventually replace the CIMS reporting.

- Reports should be reviewed each month for accuracy.
PURCHASING
Purchasing Policies

Procurement Policy:
(Refer to Policy: DJC)
- The Board purchases competitively when possible and seeks maximum value for every dollar spent.
- A dollar value is set by the Board relative to what must be bid and those items exempt from the bid process. This is generally in alignment with State of Maryland requirements. The CCPS Board dollar value may be more restrictive than the state requirements, but never less.

Procurement Procedures:
(Refer to Regulation: DJC-RA)
- Procurement transactions will be conducted utilizing best business practices in accordance with CCPS policy, state, and federal regulations. Materials, equipment, and services will be purchased based on the best possible cost, quality, and delivery from vendors participating in our competitive procurement process with sensitivity to the desire of the Board to deal with local businesses when possible.
- Depending on the dollar value, items will either be bid through the Purchasing Department, or may be quoted by the end user. These quotations shall be attached to the purchase documentation for future reference.
- Competitive procurements are solicited as follows:
  o More than $25,000 - Sealed Bids
    a) If the cost of any school building, improvement, supply, or equipment is more than $25,000, the contract shall be bid and awarded on the basis of competitive bidding as prescribed by the Annotated Code of Maryland - Education Article, Section 5-112.
  o $25,000 or less - Competitive Quotation
    a) $10,001 - $25,000 - Written Quotations:
       When the cost of any improvement, supply, or equipment exceeds $10,000 but is not more than $25,000, written quotations will be solicited from at least three vendors. The documentation must be attached to the purchase requisition (P-I form) which is available on the purchasing website (Exhibit 12).
    b) $5,001 - $10,000 - Verbal/Written Quotations:
       When the cost of any supply or equipment exceeds $5,000 but is not more than $10,000, verbal/written quotations will be solicited from at least three vendors. The documentation must be attached to the P-I form. Improvements within this cost range may be made without competitive solicitation; however, the maximum value for every dollar spent should be sought.
    c) $5,000 or less - Purchase as needed:
       When the cost of any improvement, supply, or equipment is less than $5,000, these purchases may be made as needed without competitive solicitation; however, the maximum value for every dollar spent should be sought.
Procedures for Purchasing

General Information:
- P-Cards are the preferred method for making purchases where noted on the chart below.
- Preferred vendors are identified by the Purchasing Department and orders should be made using a purchasing card if accepted by the vendor. Refer to the chart below. Additional information regarding the use of P-Cards is included in the Procedures for Purchasing Card (P-Card) section of this handbook.
- All equipment purchases with a value in excess of $5,000 unit cost ($500 unit cost for computers, cameras, peripherals, and sensitive items) must be ordered by the Purchasing Department. Additional information is available under the Fixed Assets section of this handbook.
- All furniture purchases should be coordinated with the Purchasing Department.
- When a P-Card is not an option and the requested vendor is not in CIMS, the initiator of any order is required to obtain the completed Substitute W9 and Debarment Form (Exhibit 6) available on the Accounting & Finance website. The completed form from the vendor should then be forwarded to the Purchasing Department to request a vendor number. Additional information is also available under Vendor Information in the Cash Disbursement section of this handbook.
- Prior to placing a large order, delivery and distribution action plans must be confirmed with the delivery site.

Receiving:
- There must be a separation of duties between order placement and verifying the items received. The same individual should not perform both functions.
- When the order is physically received, someone other than the individual who placed the order must verify the contents. This individual is to use the packing slip provided with the order to write “received”, sign and date. If a packing slip is not available, an e-mailed receipt or order confirmation is acceptable.
- Any discrepancies or damaged items between the items ordered and the packing list must be reported to the vendor immediately by the person placing the order.
- The receiving document should be maintained with the original invoice or receipt.
Procedures for Purchasing Card (P-Card)

Purchasing Card Policy:
(Refer to Policy: DGD)
- The Cecil County Public School System has established a Purchasing Card Program for authorized CCPS employees. The card enables employees to make purchases necessary for CCPS operations.
- Use of the card will provide faster delivery to the end user and substantially reduce the administrative paperwork involved in buying and paying for low dollar items.

Purchasing Card Procedures:
(Refer to Regulation: DGD-RA)
- Application for the card is made through the Purchasing Card Administrator in the Purchasing Department. The potential cardholder should complete the application, forward the completed application to the approving official for approval, and then forward to the Administrator.

Purchasing Card Application:
The following types of purchasing cards are available:
- A purchasing card assigned to one specific general ledger accounting code or a purchasing card assigned to multiple general ledger accounting codes is available. All charges must be allocated to the appropriate accounting codes via the online transaction management program.
- A purchasing card application must be completed by the applicant and approved by their approving official. The application is located on the Purchasing website. Every field of the application must be completed to apply for a new account, including the monthly credit limit and single transaction limit (Exhibit 13).
- If the application is for a multiple general ledger accounting codes card, indicate that in the accounting code section of the application.
- The Purchasing Card Administrator will provide information and basic instructions on use of the card to cardholders and approving officials.
- Each cardholder that applies for the multiple general ledger accounting codes card will be given a user name and password for the online transaction management program. Detailed instructions regarding allocation of transactions will be provided by the Purchasing Department.

Use of Card:
- Only the named cardholder is authorized to use the card.
- The cardholder must ensure funds are available to pay for items being purchased.
- All items purchased over-the-counter must be immediately available. No back ordering is allowed.
- The merchant must deliver all items purchased by telephone order in a single delivery, within the 30 day billing cycle. The order should not be placed without this assurance.
- Purchases via the Internet at a secure site are permitted.
- Transactions cannot be split in order to avoid the single purchase limit.
- CCPS is exempt from paying Maryland state sales tax.
- Merchandise must always be delivered to a CCPS work location.
- CCPS purchasing card information is not permitted to be stored on any sort of electronic devices, including smart phones, tablets, etc.
Dollar Limits:

- Use of this card is subject to a single transaction limit, and a monthly aggregate limit, both of which are set by the cardholder's approving official and the Purchasing Department. The monthly aggregate may be modified as the circumstances necessitate through application with the Purchasing Card Administrator.

- Limits are coded in the magnetic strip of each card and will be identified each time a purchase is attempted. Authorization at the point of purchase will be approved only if the purchase falls within the dollar limits coded on the cardholder file.

Types of Merchants:

- Merchants are identified as to their type of business by a Merchant Category Classification (MCC) code. The MCC is coded in the magnetic strip of each card and will be identified each time a purchase is requested.

- Authorization at the point of purchase will be approved only if the merchant’s MCC code on the cardholder's file allows purchase at that particular type of merchant or business. Merchant types have been pre-selected by the Purchasing Department.

Prohibited Merchants:

- Some merchants are restricted from the purchasing card program. Examples of restricted merchants:
  - Jewelry Stores
  - Pawn Shops
  - Liquor Stores
  - Medical Doctors
  - Online Auction Sites

- If a transaction is declined due to a merchant restriction and the transaction is a valid charge, an alternate approved method of payment must be used (purchase order, voucher).

Prohibited Purchases:

- Cash advances
- Textbooks (see the Textbook section of this handbook for further clarification)
- Equipment or sensitive items tracked by the Purchasing Department (see the Equipment and Sensitive Items section of this handbook for further clarification)
- Contracted services to an individual
- Personal purchases
- Gift cards
- Third Party Billers
  - Cardholders are not permitted to set up an account with a third party biller (i.e., Pay Pal, Bill Me Later, Google) using a CCPS purchasing card. When ordering online, always use the “guest” option.

Receipts/Receiving:

- Receipts must be itemized (i.e., when a purchase is made at a restaurant, the receipt detailing the items ordered as well as the receipt of the credit card charge must be kept with the transaction log).

- If a receipt has been misplaced, a memo must be written to the approving official including the date of the transaction, the merchant name, the amount of the charge, a description of what was
purchased, and the reason for the purchase. The approving official must sign the memo and it must be included in the transaction log.

- There must be a separation of duties between order placement and order receiving. The cardholder who placed the order should not perform both functions.
- Upon receipt of a partial order, the packing slip, along with comments, date and signature is submitted to the cardholder who placed the order.
- Discrepancies or damaged items must be reported immediately to the vendor.

Transaction Logs (Envelope)/Expense Reports:

- The current billing cycle runs from the 28th through the 27th of each month. If the 27th falls on a weekend or holiday, the billing cycle will not close until the following business day.
- Cardholders who do not allocate their transactions must complete a transaction log (envelope) (Exhibit 14). Cardholders who do allocate must create and print an expense report from the Visa Intellilink website (Exhibit 15).
- A transaction log (envelope)/expense report must be completed every month there is activity on the account. If there are no transactions during the billing cycle, the cardholder does not need to complete a transaction log (envelope)/expense report.
- The transaction log (envelope)/expense report must include the original credit card bank statement and all original itemized receipts that correspond to that statement.
- Transaction logs (envelope)/expense reports are due to the approving official by the 10th of the month.
- The signature of the approving official on the transaction log (envelope)/expense report confirms the official’s approval.
- The Purchasing Department will send a report of purchasing card expenditures for each department to the approving officials after the end of the 30 day billing cycle. This report will list all transactions made during the billing cycle related to each department’s general ledger discipline, even if the purchases were made by a school. The approving official will sign the report to indicate acknowledgement of the purchases, attach a copy of the departmental signed transaction logs (envelope)/expense reports, and send to the Purchasing Department for the audit file.
- Transaction logs (envelope)/expense reports are subject to internal and external audits and must be maintained for five full fiscal years.

Returns/Credits:

- Follow vendor instructions for all returns or credits, and maintain proper documentation for the transaction log.
- Cardholders must check subsequent statements for the credit and retain the credit slip with the log. If a credit slip was not obtained, attach other documentation on the log that explains the credit. If credit does not appear by the second subsequent statement, the cardholder should contact the Purchasing Card Administrator for assistance.

Disputes:

- If a transaction appears on the PNC Bank statement in error, the transaction can be disputed.
- Important note: disputed charges are different than fraudulent charges. A dispute occurs when the cardholder recognizes the merchant and the transaction, but an error has been made. Fraud occurs when charges appear on the PNC Bank statement and the cardholder has no knowledge of the merchant, or the transactions, and did not authorize the transactions.
- Contact the merchant to resolve the issue.
- Contact PNC Bank at 1-800-685-4039 if the supplier is uncooperative.
• Send the inquiry form available on the Purchasing Department website to the Purchasing Card Administrator in the Purchasing Department without delay (Exhibit 16).
• The charge will be credited to the purchasing card account upon dispute. PNC Bank will investigate the transaction and provide additional information to the cardholder and the Purchasing Card Administrator.

Purchasing Cardholder Lost/Stolen Report:
• If a purchasing card is lost or stolen, the cardholder must report it to PNC Bank and the Purchasing Card Administrator immediately. PNC Bank’s phone number is 1-800-685-4039. PNC Bank is available 24 hours per day, 7 days per week.
• Complete a lost/stolen report available on the Purchasing Department website within two business days, and send it to the Purchasing Card Administrator (Exhibit 17).
• A replacement card will be sent to the Purchasing Department and the cardholder will be notified to pick up the new card.

Audits:
• New cardholders will be under a compliance review period for the first three months of activity.
• All records (logs, receipts, and approved statements) are to be retained in the department for five years.
• All cardholders may be periodically requested to submit a copy of an individual receipt for audit purposes.
• Department audits will be conducted by the Purchasing Card Administrator as deemed necessary.

Tax Exemption:
• Cecil County Public Schools is a government entity and is exempt from Maryland Retail Sales Tax.
• The Tax Exempt Certificate number is printed on the front of the purchasing card.
• At the time of purchase, the vendor must be informed that Cecil County Public Schools is tax exempt.
• If Maryland Retail Sales Tax has been charged on a receipt, the cardholder must contact the merchant to request a credit for the tax. If the tax is not credited, the cardholder will be required to reimburse Cecil County Public Schools for the amount of the tax from their personal funds.
• Wal-Mart and Lowe’s each require a unique tax exempt number. These numbers are provided by the Purchasing Card Administrator on a white label that must be attached to the back of the purchasing card. Contact the Purchasing Card Administrator for additional labels if needed.
• Purchases made using social committee funds must pay sales tax. For additional information see Exemption from Maryland Retail Sales Tax under the Cash Disbursement section of this handbook.

Allocating/Coding Charges:
• Cardholders who assign charges to multiple general ledger accounting codes will receive instruction on the allocation/coding process after their first purchase. The Purchasing Card Administrator will contact the cardholder at that time.
• For more information about allocating/coding purchasing card transactions, contact the Purchasing Card Administrator.
• The web address for allocating charges is https://intellilink.spendmanagement.visa.com.
Procedures for Purchase Orders

Instructions and screen prints on how to process, approve, and receive Purchase Orders (POs) electronically can be found under “Purchase Order Processing” at http://dbs.ccps.org/purchasing/purchasing.html.

Purchase Orders - Processing:

- The P-I form, available on the Purchasing website (Exhibit 12), should be used to obtain all the required information to place an order and used as back-up to enter the PO into CIMS. Once entered, the PO will go through an approval queue based on the account number. After all approvals have been completed, the Purchasing Department will process the PO.
  - All supplies are to be shipped directly to the school or department. The “Ship To” attention should always default to the building administrator in the school or department at the Central Office.
  - Enter the user/room number as a “Tag For” in the body of the PO after the detail is entered.
  - If a line item on the PO is to be split between two or more account numbers, contact the Purchasing Department for clarification on the correct procedure.
  - All supporting documents (i.e., attachments, quotes, etc.) must be forwarded to the Purchasing Department as back-up prior to the PO being printed.
  - Purchase Orders are typically printed every Tuesday/Thursday by the Purchasing Department.
  - Purchase Order numbers are tracked for auditing purposes.
  - If a PO needs to be cancelled, e-mail the Purchasing Department with the PO number.
  - If you must exit a PO before the detail page, e-mail the Purchasing Department with the Purchase Order number.
  - After a PO is processed and printed by the Purchasing Department, the School Copy of the PO will be forwarded to the “Ship To” location.
  - Any changes to the PO after being printed must be made by the Purchasing Department with the proper back-up documentation.

Purchase Orders - Approving:

- After a PO is entered in CIMS, it goes through a queue needing the electronic approvals as justified by the account number(s).
- Reminders are sent twice a week from the Purchasing Department to approvers who currently have POs in the queue.
- After the approval process is completed, the PO will be sent to the initiator and the vendor by the Purchasing Department.
- Purchase Orders can be expedited if the proper approvals have been obtained on the P-I form and forwarded to Purchasing. A copy should be retained in the department as back-up.

Purchase Orders - Receiving:

- There must be a separation of duties between order placement and verifying the items received. The same individual should not perform both functions.
- The receiving individual is to use the packing slip provided with the order or a copy of the PO to write the receiving number, sign and date.
- The receiving document should be used to receive the order in CIMS. This can be completed by either individual.
• Discrepancies or damaged items must be reported immediately to the vendor. The item should not be received until the order is corrected by the vendor. Only receive the items you are keeping.
• You cannot receive a quantity higher than what is on the line item. Contact the Purchasing Department for exceptions.
• The original receiving document (packing slip or copy of PO) is submitted to the Accounts Payable Department.

Procedures for Invoice Payments:
(See Disbursements Methods under the Cash Disbursements section)

Procedures for Employee Reimbursement:
(See Disbursements Methods under the Cash Disbursements section)

Textbook Requisitions:
(Refer to Regulation: EDA-RA)
• Textbook requisitions are provided annually by the Purchasing Department for review and approval by the appropriate Instructional Coordinators for the upcoming fiscal year.
• Once approved and returned by the Instructional Coordinators, the Purchasing Department will forward the textbook requisition to each school.
• Each school completes their “quantity on hand” and returns the textbook requisition to the Purchasing Department.
• The Purchasing Department will provide a list of “totals” from each school to the Principals and Instructional Coordinators. Each school should check with other schools based on their inventory prior to ordering additional books.
• Textbooks must be ordered utilizing the purchase order process in CIMS so the appropriate Instructional Coordinator can review and approve the order prior to release.
• Each PO must reflect the account code associated with the curriculum area/discipline. (See Chart of Accounts Dictionary)
• Textbooks cannot be ordered using a P-Card.

Library Materials & Supplies:
• Library materials and supplies used in the schools' Media Centers are ordered using the P-6 form obtained from the Instructional Coordinator for Media and Educational Technology.
Fixed Assets
(Refer to Policy: DID)

- Fixed Assets are defined as all land, equipment, buildings, machinery, and/or furniture with a delivered and installed unit price cost of $5,000 or more and a useful life of one year or more.
- Cameras, computers, and computer peripherals with a delivered and installed unit price cost of $500 or more and sensitive items are also considered Fixed Assets.
- Fixed Asset purchases must be ordered by the Purchasing Department.
- Fixed Assets and sensitive items require a CCPS barcode to be attached. Upon receipt of the item(s), the department will receive a FA-I form and associated barcode(s) from the Purchasing Department. This form will list the barcode assigned to each Fixed Asset (Exhibit 18).
- Technology items will be received by the Technology Department and have the barcodes affixed to the equipment. The FA-I form will not be required for technology items.
- All sections of the FA-I form are to be completed and the form signed by the department supervisor.
- The completed and signed form should be returned to the Purchasing Department within seven days of the item being physically received.
- Fixed Assets must be inventoried no less than every two years.

Classifications:

**Depreciated Equipment (0601) - Barcode is required**

*(NOTE: Must be purchased on a Purchase Order – No P-Card purchases)*

A fixed asset is defined as a tangible item having a life cycle of more than one year and meeting the following criteria:

- Identified on a per unit basis
- A useful life of more than one year
- Not consumed or depleted in use
- Functions alone and not part of a larger system
- Movable and not permanently attached to a building, land, or fixture
- Delivered and installed unit cost (not total quantity cost) of $5,000 or more

**Sensitive Items (0361) - Barcode is required**

*(NOTE: Must be purchased on a Purchase Order – No P-Card purchases)*

A sensitive item is defined as frequently moved from one location to another or highly prone to theft/loss, requiring inclusion on the fixed assets inventory list, and defined as:

- Identified on a per unit basis
- Useful life of more than one year
- Not consumed or depleted in use
- Delivered and installed unit cost (not total quantity cost) of less than $5,000
*Sensitive Items List*

The list detailed below will be reviewed and evaluated annually to ensure proper accounting. If you have any questions regarding the classification of an item (supply, sensitive item, or equipment) and/or the account number to be used, contact the Purchasing Department.

- **Trackable items regardless of unit cost (0361) - Examples include but are not limited to:**
  - Copier
  - Desktop computer
  - Document camera
  - Electronic reader devices (i.e., Nook, Kindle, iPad, iPad Touch, iPod)
  - File server
  - Gaming system
  - LCD projector
  - Laptop computer
  - Mobile lab cart
  - Printer
  - Scanner
  - SMART Board
  - SMART Table

- **Items with $500 per unit minimum (0361) - Examples include but are not limited to:**
  - A/V equipment (i.e., PA system, transmitter)
  - Building services equipment (i.e., floor scrubber)
  - Camera/Video camera
  - Fuel-driven equipment (i.e., snow blower, lawn mower)
  - Safety equipment (i.e., defibrillator, evacutrac)
  - Student-use equipment needed for the delivery of educational programs, such as: Special Education equipment, science laboratory equipment instruments (i.e., oscilloscope), musical instruments (i.e., tuba, oboe), or gym mats
  - Television

**Supplies / Materials of Instruction (0321/0322) – Barcode is not required**

A supply item is defined as any individual item, article, or material not included in the sensitive items category and is less than $5,000 in value. Examples include but are not limited to:

- Paper, pencils, art supplies, workbooks, tapes and cartridges
- Small machines/tools/furniture (i.e., calculators, overhead projectors, hand tools, and individual desks and chairs)
- Small technology-related devices purchased separately (i.e., mouse, keyboard, monitors, Senteos, airliners, external hard drive, and flash/pin drives)
- Other items consumed or depleted in use
- **0321/0322 Supplies (with the exception of sensitive items):**
  - Min. Value Furniture/Equipment $1 - $999
  - Min. Value Computers/Peripherals N/A
  - Min. Value Cameras $1 - $499
Equipment Transfer/Disposal:
(Refer to Policy: DN and Regulation: DN-RA)

- Requests to transfer or dispose of any furniture or equipment (other than technology items) located within your building must be coordinated through the Purchasing Department using the P-76 form. The P-76 form must be signed by the building administrator or department head (Exhibit 19).
- Quantity, make, model, serial number (if applicable), barcode number (if applicable), and State/Federal Tag # (if applicable) are to be entered on this form.
- The Purchasing Department is responsible for generating work order requests to the appropriate department for the removal or transfer of furniture and equipment.
- Contact the Technology Department directly to request the transfer or removal of technology items.
Safety Data Sheet (SDS)  
(Formerly called Material Safety Data Sheet)

- Products with a chemical composition are subject to the Occupational Safety and Health Act (OSHA) requirements for SDS (Exhibit 20).
- This covers a wide variety of products and materials, some of which are easily identified because of obvious health hazards (i.e., paint, hand sanitizer, glue, bleach, lab chemicals) and require a SDS. Some chemicals are not so easily identified but also require a SDS (i.e., toner, correction fluid, computer screen cleaners, dry erase markers, and hand soap).
- In order to facilitate the acquisition of SDS on chemicals acquired and used in the school system, key personnel are asked to review their internal procedures.
  - The Purchasing Department will obtain a SDS for products with a chemical composition purchased by using a PO.
  - Employees are required to complete a SDS Request form for the products with a chemical composition purchased by methods other than a PO (i.e., P-Card, personal funds) (Exhibit 21).
  - Products with a chemical composition purchased by methods other than purchase orders are subject to OSHA requirements for SDS (i.e., local purchase, P-Card, items personally purchased by staff members).
  - OSHA requirements state that any chemical used and/or stored in any building must have a SDS on file in an employee-accessible area at that location and kept in a complete file at the Central Office.
  - Any product with a chemical composition kept for personal use in a desk drawer or file cabinet would not be subject to SDS requirements. Items displayed on a desk, in a restroom, or used in an office/common area in a building become a viable chemical in that building and are subject to SDS requirements.
  - A report is filed with OSHA every two years containing a chemical listing, floor plan, and use of the chemical product for each location in the school system.
  - The SDS Request form is used to initiate the acquisition of SDS from the Purchasing Department and is available electronically on the Purchasing Department website or upon request.
- Prior to the submittal of an invoice, review that submission for products that may need a SDS.
  - When in doubt, submit a completed SDS Request form.
  - The Purchasing Department will research the item for sheets on hand.
  - Review the purchasing card logs submitted by you, or for your approval, for items requiring SDS. These logs typically do not go into great detail about individual items. The cardholder may need to be questioned as to specific items.
  - Payment will be delayed until the SDS Request form has been completed in its entirety and submitted to the Purchasing Department.
PRINT AND DISTRIBUTION
Procedures for Print & Distribution Services (PDS)

Print & Distribution Job Request:
- The Print & Distribution Job Request form, available on the Business Services website at http://dbs.ccps.org/PrintandDistribution/PrintandDistribution.html, must be used to request a job through PDS (Exhibit 22).
- PDS can process, but is not limited to:
  - Copies (Regular, Cardstock, Three hole punch)
  - Binding Combs/Thermo Bound Documents
  - Business Cards
  - Custom copies
  - Custom envelopes
  - Cardstock tabs
  - Laminating
  - Mailings
  - Posters/Banners
  - Stationary Cards
- Submit completed requests to PDS along with any materials/documents necessary for completing the job request. Requests may be submitted electronically to print_distribution_services@ccps.org.
- If considered a “rush” job request, please speak to a member of PDS to confirm receipt.

Paper:
- Letter/legal white paper can be requested from PDS by the ream or case. A request must be made by contacting the custodian.
- Paper typically kept in-stock for job requests:

<table>
<thead>
<tr>
<th>Paper</th>
<th>Cardstock</th>
</tr>
</thead>
<tbody>
<tr>
<td>Letter – white and basic colors</td>
<td>Letter – white and basic colors</td>
</tr>
<tr>
<td>Legal – white</td>
<td>Ledger – white</td>
</tr>
<tr>
<td>Ledger – white and some colors</td>
<td></td>
</tr>
</tbody>
</table>
- Other colors may be available upon request.

Forms:
- Contact PDS to order standardized forms that have been printed in the past.
- Each department is responsible for any updates on a form.
- If a form becomes obsolete, notify PDS to take it out of circulation.

Mail/Postage:
- Outgoing mail at the Carver Center is picked up in each department three times a day and needs to be clearly identified with a forwarding name and location.
- Incoming mail at the Carver Center is delivered two times a day.
- Federal mail is delivered and picked up once a day by the Post Office in PDS.
- Envelopes needing postage must have the flap closed in order for the postage meter to stamp and seal the envelope.
- Items considered heavy, big, or bulky should be delivered to PDS by contacting the custodian.

Vendor Deliveries:
- All deliveries are to be made to the PDS double doors.
- Notify PDS of the arrival date and distribution action plan for large deliveries.

**Small Parcel Delivery (Pony):**

- Unless otherwise noted by the Maintenance Department, the Pony mail runs specific hours and times daily.

* All times are approximate
** Tues/Thurs delivery days

- The Pony returns to the Carver Center at 9:40 a.m. for any drop-offs received from the morning schedule and picks up mail for the afternoon schedule.
- The Pony returns to the Carver Center at 1:46 p.m. for any drop-offs received from the afternoon schedule.
- E-mail notification will be provided when schedules are modified for holiday and summer delivery.
PAYROLL
General Payroll Information

- Cecil County Public Schools processes payroll on a bi-weekly basis. A fiscal year pay schedule will be posted on the payroll website each May for the upcoming fiscal year.
- Employees will be paid on a bi-weekly schedule through direct deposit to the bank designated by the employee. Funds are electronically transferred to the employee’s selected bank account and are available on each scheduled pay date.
- Employee earning statements are available on Employee Self Service (ESS). Employees are encouraged to view tax status, W-2 information, and leave balances on ESS.
- All 10-, 10.5-, and 11-month salaried employees may elect to be paid in equal installments through an optional 12-month pay plan. Election must be made prior to the first work day of the school year and is irrevocable during that school year. Payment is scheduled from the first pay date for that group and continues for 26 pays. This option is continual from year to year unless cancelled by June 30 on the appropriate form provided by the Payroll Department.
- Answers to frequently asked questions (FAQ) are available on the CCPS Business Services website under the Payroll Department option.
- Payroll forms are also available on the website including:
  - Direct Deposit Enrollment
  - Form W-4 – Federal Withholding
  - MW507 – Maryland State Withholding
  - Optional 12-Month Pay Plan Authorization/Cancellation
  - Personal Leave Request Form
  - Request for Long Term Substitute
  - Substitute Employee Worksheet
  - Time Sheets
Attendance Reporting

Employee Absences:
- Aesop is the current provider for automated absence reporting and substitute reporting.
- Employees are responsible for reporting their own absences using Aesop.

Employee Attendance:
- Employee attendance cards are available to attendance reporters at the beginning of each fiscal year (Exhibit 23). An alternative method of tracking employee attendance may be used if approved by the Payroll Department.
- Attendance cards or an alternative method are to remain with the attendance reporter and be used to consolidate time worked and absences for each employee for the entire school year.
- The correct code should be used to record each absence (Exhibit 24).
- Employees are responsible for tracking their own leave balances available on Employee Self Service (ESS); however, balances can be requested from the Payroll Department by the attendance reporter.
- Hourly employees should report time worked on the appropriate time sheet.

Attendance Assignment/Comma-Separated Value (CSV) files:
- Attendance Assignment/CSV files will be e-mailed to the attendance reporter on the Monday following pay day (Exhibit 25). This file lists each employee, their absence dates and codes from Aesop, and the substitute’s time worked if applicable.
- Attendance Assignment/CSV files must be reformatted before submission to the Payroll Department (Exhibit 26).
- The attendance reporter must complete the number of days worked for each salaried employee for the previous two week period. Time missed is not recorded for hourly employees.
- The number of days to be reported and dates included in the pay period are printed at the top of the Attendance Assignment/CSV file. If the report is not received by the Payroll Department by the Monday following pay day, the report is considered late. Recurrent late payroll submission will be reported to the next-in-line supervisor for action.
- Annual leave requests, subpoenas for legal leave, and jury duty certificates must be sent to the Payroll Department along with the Attendance Assignment/CSV file.
- A list of professional days approving extra pay for teachers who work less than full time is distributed by the Associate Superintendent for Education Services at the beginning of each school year.
  - Part-time teachers who do not normally work on a professional day or who work half days may be paid for the extra time worked on professional days. Indicate the date(s) and time worked and label as “approved professional day” on the Attendance Assignment/CSV file in the “Comments” column.
- Attendance Assignment/CSV reports must be signed by the supervisor. In the absence of the supervisor, a leadership team member must sign the report.
- Signature stamps will not be accepted.

Reconciling Employee Absences and Related Substitute Information to Aesop:
- The attendance reporter should reconcile absences daily.
- To review and verify absences, sign onto the Aesop home page; under reports, select the “Daily Report” (Exhibit 27); select the appropriate date; and review the report. This report shows all absences, confirmation numbers, and dates.
- Compare attendance cards or alternative method of tracking to the “Daily Report” from Aesop; check half-day or full-day absences and absence codes; edit records appropriately; and save changes.
Select “Reconcile Absence/Vacancies” from your Aesop homepage to check reconciled and unreconciled records. If all records have been verified, choose “Reconcile All.”

On pay day Friday, enter beginning and ending date for the pay period. This will allow you to see jobs that were late additions for the reporting period.

If you need to delete an absence, unreconcile it first; otherwise it will still appear on the Attendance Assignment/CSV report and will need to be manually corrected.

If you notice an absence code change, use the “Absence Log” to verify the change was made by the Payroll Department. Absence codes entered/changed by the Payroll Department must not be altered.

Late Reporting:
- Absences may be called in until the evening of the day of the absence.
- If an employee misses the deadline to enter an absence, the attendance reporter must enter and reconcile the absence.

**Time Sheet Reporting**

- All time sheets submitted to the Payroll Department must include the employee’s proper name, employee ID number, and other information as requested on the time sheet.
- It is the responsibility of the attendance reporter to update and maintain Excel spreadsheet time sheets for their employees. This includes removing inactive employees, adding new employees, changing new fiscal year rates of pay, pay period dates, and hours worked.
- All time sheets must be completed, signed, and submitted promptly to the Payroll Department.
- Time sheets are due each bi-weekly pay cycle unless otherwise indicated.

Compensatory Time Sheet:
- This time sheet is used to report approved compensatory time accrued and used by non-exempt employees (Exhibit 28). Exempt employees are ineligible for compensatory time (Exhibit 29).
- The Fair Labor Standards Act requires non-exempt employees to be compensated at 1.5 hours for each hour worked above 40 hours in any one week. Therefore, for a 37.5 hour per week employee, the first 2.5 hours of earned compensatory time will accrue 2.5 hours; any hours worked beyond 40 hours per week will be compensated at the rate of 1.5 hours for each hour.
- This time sheet must be submitted to the department head at the end of the pay period in which time was either used or accrued. The supervisor’s initial column must be completed prior to accrual usage signifying their approval of time either accrued or used.
- The beginning balance for the current pay period must agree with the ending balance of the last compensatory time sheet submitted.

General Assistant Time Sheet:
- This time sheet is used to report hours worked by general assistants.
- The attendance reporter must complete the General Assistant Time Sheet listing employees alphabetically for each bi-weekly reporting period (Exhibit 30).
- It is important to adhere to the number of general assistant hours officially authorized and as recorded in the Office of Human Resources.
- If a general assistant is absent the time sheet should reflect zero (0) hours worked for that day. Missed time may not be worked on another day or by another person.
Meeting Time Sheet:
- This time sheet is used to report employee participation in an in-service, meeting, or workshop during the normal work day and to report substitute coverage so substitute wages are paid from the appropriate budgeted account number (Exhibit 31).
- This time sheet should be sent to the appropriate Executive Director or Associate Superintendent for approval the work day following the activity.
- The Executive Director or Associate Superintendent will forward the approved time sheet to the Payroll Department.

Tutor Time Sheet:
- This time sheet is used to report employee time assigned by CCPS and worked outside the normal duty day for the purpose of tutoring students (Exhibit 32).
- Time sheet templates will be created by the Payroll Department for each school and e-mailed to the designated program coordinator. The time sheet will be an Excel spreadsheet and will include the name of the program and the account number.

Standard Payroll Time Sheet:
- The standard payroll time sheet has been designed to pay hours or days worked for various job assignments. This time sheet is required to be on pink paper (Exhibit 33).
- Designate the job code from the list at the top of the time sheet.
- Include an explanation of hours worked in the remarks column.

Summer School Time Sheet:
- A list of approved summer school employees including teachers, paraprofessionals, nurses, interpreters, secretaries, and general assistants is to be provided from the director or coordinator of the summer school program prior to the start of summer school.
- Time sheet templates will be created by the Payroll Department and e-mailed to the designated summer school coordinator. The time sheet will be an Excel spreadsheet and will include the name of the program and the account number (Exhibit 34).
- The coordinator will be required to complete the employee name, ID number, job code, and corresponding rate of pay as approved in the hourly/per diem pay schedule.

Workshop Time Sheet:
- This time sheet is used to pay employees for curriculum writing, presenting or participating in staff development, or a workshop outside of the normal duty day (Exhibit 35).
- The instructor/presenter must use the area designated for Instructor/Presenter.
GRANTS
Grant Guidelines

- CCPS utilizes grant funding to supplement Board-approved funding. Generally, grants undergo the following cycle:
  1. Initial supervisory approval for application
  2. Application
  3. Award notification
  4. Program implementation
  5. Final reporting
- When applying for a grant, it is important to develop an accurate budget to support the objectives of the grant. Contact the Assistant in Business Services for assistance in the budget development process:
  
  Erynn Seato, Assistant in Business Services
  eseato@ccps.org
  (410)996-5428
  (410)996-1081 fax

- When a grant is awarded to CCPS, the grant expenses and revenue will be accounted for in CIMS. The Department of Business Services will create a unique budget number and account system to track the grant financial activity.

Grant Application:

- Upon receiving a notice of potential grant funds, immediately notify the respective Associate Superintendent to obtain preliminary approval to proceed with the grant application process. To avoid duplication and to coordinate focus, it is important to consult with various stakeholders to receive guidance and input for the application process.
- After receiving preliminary approval, the grant application process begins. Many grants have different application processes that must be followed. Generally, grants from the Maryland State Department of Education (MSDE) have standard procedures.
- Contact the Assistant in Business Services for assistance in the budget development process. Grant expenses must be categorized, such as Salaries, Contracted Services, Supplies and Materials, Other Charges, and Fixed Charges. In addition, an Indirect Fee will be applied to all CCPS grants to cover administrative costs if allowed. Contact the Department of Business Services for proper calculation and budgeting of these costs.
- A Cecil County Public Schools Grant Approval Form must be completed for each CCPS grant before submitting a grant application to any agency. This is an internal document available on the Department of Business Services website. The form provides grant summary information and requires signatures of approval prior to submission (Exhibit 36).
- Timely submission of all grant applications is essential. Carefully review the submission timelines and develop a schedule for completing the grant application that takes into consideration the internal approval process.

Grant Expenditures:

- The granting agency will notify the Grant Manager of the award of a grant. MSDE issues a Grant Award Letter and Notice of Grant Award form. All budget forms, reporting forms, and letters received must be forwarded to the Assistant in Business Services immediately.
- The Grant Manager should not approve any spending of grant funds until receiving written notification from the granting agency that the grant has been approved.
The Department of Business Services will enter the approved grant budget into CIMS to provide proper record keeping of the grant budget and transactions. Each grant receives a unique budget number to separate its transactions from all other accounts.

A Grant Manager should not authorize nor approve reimbursement to a school for an expense paid from their Student Activity Funds.

Grant funds can be spent using the following methods:
- Invoice payment
- Purchase order (PO)
- Purchasing card that has received approval to use for grant expenses
- Employee reimbursement of original receipts
- Employee time sheet or travel reimbursement
- Payment of an employee’s salary

Each month, the “Restricted” report will be sent to the Grant Manager by the Department of Business Services summarizing a grant’s financial activity to date. Each grant should be reconciled monthly to ensure accuracy of budgets, expenditures, encumbrances, and available balances. Failure to monitor grant expenditures could result in failure to obtain approval for budget amendments in a timely fashion or in an expenditure disallowed in an audit.

If a Grant Manager approves more spending than budgeted, the Grant Manager is responsible for finding other funding sources to cover any overage.

All grant funds must be fully spent or encumbered by the grant ending date. MSDE grants can be spent or encumbered by the grant ending date; all other grants must be fully spent by the grant ending date unless otherwise noted. If funds are allowed to be encumbered at the end of the grant, use the PO process to order items and record the encumbrance. Items on a PO must be received and paid within 60 days after the grant ending date. For example, a grant ending on June 30 may be allowed to have a PO entered into CIMS by June 30, but the items must be received and the invoice paid by August 29.

Grant Amendments:
- The BA-1 form may not be used to transfer grant budgets. A written request must be submitted to the granting agency for approval through the Department of Business Services.
- If a budget amendment is needed for a grant, notify the Department of Business Services immediately. Most granting agencies have specific procedures to follow for grant amendments. MSDE allows a grant amendment 45 days before the end of the grant period for the following reasons:
  - Change to the grant period
  - Reallocate funding to a different category or program account by $1,000 or 15%, whichever is greater
  - Increase or decrease to the grant amount
  - Programmatic change
  - Change of addresses, Grant Manager, or Chief Financial Officer

Grant Revenue:
- All requests for grant revenue will be processed through the Department of Business Services using a CCPS invoice generated by the Department of Business Services or a monthly MSDE Financial Status Report. Any check received by the Grant Manager should be immediately forwarded to the Department of Business Services.
- Grant revenue must equal grant expenditures. If CCPS collects more revenue than what is spent, the excess funds must be remitted back to the granting agency.
Grant Record Keeping:

- Progress reports are required on most grants highlighting program achievements and the financial status of the grant. MSDE requires at least one Interim Progress Report and a Final Progress Report for each grant.

- MSDE and federal guidelines require a proper accounting of an employee’s time when the employee’s salary is charged to a state/federal grant or funding source. Forms are provided to employees as needed by the Department of Business Services for:
  - Employees funded from a single funding source that must complete a semi-annual certification form at the end of each semester.
  - Employees funded from more than one funding source that are required to keep a timekeeping record for each pay period.

- Documentation of all grants must be kept for seven fiscal years. This includes but is not limited to:
  - Checks
  - Grant award letters
  - Grant progress reports
  - Invoices
  - Notice of Grant Awards
  - POs
  - Purchase card transaction logs
  - Receipts
  - Semi-annual certification forms
  - Time sheets
  - Timekeeping records

5/24/14

Our mission: to provide an excellent Pre-Kindergartners through graduation learning experience that enables ALL students to demonstrate the skills, knowledge and attitudes required for lifelong learning and productive citizenship in an ever-changing, global society.
March 21, 2014

To Whom It May Concern:

Cecil County Public Schools can be viewed as a component unit of Cecil County, Maryland Government, and as such is entitled to all the privileges afforded any other political subdivision of a state.

We do not have an Internal Revenue Service letter granting exception from the payment of Federal Income tax because governments (State and Local), due to their nature, are automatically exempt. Our tax ID number is 52-6000923.

Enclosed is an all-inclusive listing of the thirty (30) schools operating collectively as Cecil County Public Schools.

Sincerely,

Sandra Jack
Manager of Business Services

Enclosure

Rev. 04/14
State of Maryland Comptroller of the Treasury
Sales and Use Tax Exemption Certificate

Account Number 30001151
Name Cecil County Board of Education
Booth Street Center
Elkton, Maryland 21921

This exemption certificate authorizes the organization listed on the face of this card to purchase tax-free tangible personal property and services which will be used in carrying out its work. This certificate is not transferable and may not be used to make exempt purchases of items used primarily to conduct an unrelated trade or business or items for the personal use of officials, members or employees of the organization. Misuse of this certificate shall be cause for revocation and possible legal action.

Notice to vendors: The name and certificate number of the organization must be entered on your record of each sale. If you have any questions regarding the use of this certificate, please contact the Taxpayer Service Section at (410) 767-1300 in Baltimore, or toll-free 1-800-492-1751 from elsewhere in Maryland, or write to the Revenue Administration Division, 301 W. Preston Street, Baltimore, Maryland 21201-2383.

Revised 3/2014
CERTIFICATION REGARDING
DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION
LOWER TIER COVERED TRANSACTIONS

This certification is required by the regulation implementing Executive Order 12549. Debarment and Suspension 34 CFR Part 85. Section 85.510, Participants' responsibilities. The Regulations were published as Part VII of the May 26, 1988 Federal Register (pages 19160-19211). Copies of the regulations may be obtained by contacting the person to whom this proposal is submitted.

(BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS ON NEXT PAGE)

1. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Name and Title of Authorized Representative

Signature Date

INSTRUCTION FOR DEBARMENT CERTIFICATION

1. By signing and submitting this proposal, the perspective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the perspective lower tier participant knowingly entered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction was originated may pursue available remedies.

3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the perspective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” "principal," "proposal" and “voluntarily excluded,” as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The perspective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The perspective lower tier participant by submitting this proposal that it will include the clause “Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion—Lower Tier Covered Transaction,” without modification, in all lower tier covered transaction and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely on a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for a transaction covered under paragraph 5 of these instructions, of a participant in a covered transaction knowingly entered into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
<table>
<thead>
<tr>
<th>Question</th>
<th>Answer</th>
</tr>
</thead>
<tbody>
<tr>
<td>How often do we have to update our W-9 forms on file?</td>
<td>The W-9 form is required to be updated only when you know the information has changed or may be incorrect (i.e., the receipt of a B-notice or penalty notice) or the payee tells you that the information has changed. Otherwise, the W-9 is valid indefinitely.</td>
</tr>
<tr>
<td>How long must we keep old W-9s?</td>
<td>The minimum document retention period for the W-9 is three years from the time that the last Form 1099 was filed. But, it’s better to keep it for seven years or as long as the vendor is active.</td>
</tr>
<tr>
<td>Can we use a faxed copy of the W-9?</td>
<td>Yes. An original is not required – the faxed copy is acceptable.</td>
</tr>
<tr>
<td>What types of organizations are exempt?</td>
<td>The three most common “standard” types of exempt payees are: 1) corporations (except for providers of medical and legal services); 2) tax-exempt entities (such as 501(c)(3) groups); and 3) government entities. Insurance companies are also exempt from 1099 reporting, as are banks.</td>
</tr>
<tr>
<td>On the W-9, what if the first line is filled out with one name and the second line is filled out with another name?</td>
<td>If a vendor provides a name on line one of the W-9 and a second name on line two, presume that the name listed on line one is the name to which the 1099 should be sent. Many companies may have different subsidiaries or operating divisions that have their own names, but all income flows up through to subs or divisions to the parent company. The Form 1099 should be sent to the parent company and not to the sub or division, even if the check was made payable to the sub or division.</td>
</tr>
<tr>
<td>A vendor is a sole proprietor with a business name. Checks are made out to the business. What name should be on the 1099?</td>
<td>The 1099 must be created in the name of the individual, using his or her TIN (SSN or EIN). It does not matter that the check is made out to the name of the business.</td>
</tr>
<tr>
<td>If a vendor is paid via our corporate purchasing card, do we still have to do Form 1099 reporting to that vendor?</td>
<td>No, the payment settlement entity is responsible for 1099 reporting.</td>
</tr>
<tr>
<td>Are travel payments made to hotels reportable?</td>
<td>Payments to hotels are reportable unless they are exempt. You must know who the actual owner of the property is in order to determine whether it is exempt. The franchisor (such as Marriott) is often not the actual owner.</td>
</tr>
<tr>
<td>I pay a vendor a fee for software and one year of maintenance. The vendor is not incorporated (it’s an LLC). Is this reportable?</td>
<td>Yes. Payments for the right to use software, rather than the ownership of the software, are reportable for companies that aren’t incorporated.</td>
</tr>
<tr>
<td>We send out prints to be framed. The vendor insists that there is no 1099 because they are providing a product and not a service.</td>
<td>If you merely bought a frame and did the framing yourself, you would be paying for a good and no reporting would be required. But here you are paying for the framing services, so the payment is subject to reporting on the 1099, unless the service provider is exempt. This often comes up with food and catering. If you are buying prepared food, it’s a non-reportable goods purchase. But, if you are paying for catering, it’s a service that is reportable.</td>
</tr>

**PNCBANK**

**Billing Inquiry Form**

If you believe an item on your statement is in error, complete and sign this form. We must hear from you no later than 60 days after we send you the first bill on which the error or problem occurred. Please be as complete as possible when explaining your inquiry and remember to include relevant documents. Insufficient documentation may delay the resolution of your inquiry. Also, please be sure to make a good faith effort to resolve with the merchant prior to filing a dispute.

Primary Cardholder Name (Please Print): Christina Klein

Daytime Phone: 410-996-5429

Card No. 4715 1500 9999 0000

Transaction Date: 4/1/2014

Posted Date: 4/2/2014

Amount in question: $500,000.00

Merchant Name: Ferreri's are Us

Primary Cardholder Signature: ________________ Date: 4/4/2014

Check the ONE box below that best fits your situation and supply the requested items or information.

☐ 1. A credit for $__________ was not applied to my card number. (Attach credit slip)

☐ 2. The amount charged to my card number is incorrect. The correct amount is $__________.

☐ 3. I certify that the charge listed above was not made by me or any person authorized by me. Nor were the goods or services for this charge received by me or anyone authorized by me. (Attach detail letter outlining your attempts to resolve with merchant)

☐ 4. Although I did participate in a transaction with the merchant, I was billed for additional transactions that I did not authorize.

☐ 5. I have not received the merchandise for this transaction. Expected date of delivery was __________ (date). I contacted the merchant on __________ (date) and the merchant response was __________. I have asked the merchant to credit my card number.

☐ 6. I have returned or cancelled merchandise/service on __________ (date) because __________. (Provide proof of return or cancellation number)

☐ 7. Merchandise that was shipped arrived damaged and/or defective on __________ (date). I returned it on __________ (date). (Please provide merchant response)

☐ 8. My card was used to secure this purchase, however, payment was made by (circle one) cash, check or other credit card. (Please provide a legible copy of front and back of cancelled check, cash receipt or other card statement showing transaction)

☐ 9. Other: A detailed letter of explanation is requested for any situation that does not fit one of the above categories. This may include, but is not limited to, goods that are defective, returned, or damaged (please describe the extent of the damage). Include copies of any signed receipts, invoices, or hotel cancellation numbers.

☐ 10. Please disregard the previous inquiry in the amount of $__________. The matter is now resolved.

I have reviewed the above information for Bank action.

## 1. Product and Company Identification

### 1.1. Material/Hazardous Trade Name
- **Name:** Non-hazardous Decomposition Products
- **CAS Number:** Not available
- **MSDS Number:** Not available
- **Suppliers:** Non-hazardous Decomposition Products

### 1.2. Suppliers
- **Supplier:** Non-hazardous Decomposition Products
- **Address:** Non-hazardous Decomposition Products
- **Phone:** 1234567890

### 1.3. Chemical Abstracts Service (CAS) Number
- **CAS Number:** Not available

### 1.4. Description
- **Description:** Non-hazardous Decomposition Products

### 1.5. Use
- **Use:** Non-hazardous Decomposition Products

### 1.6. Hazardous Trade Name/Description
- **Hazardous Trade Name:** Non-hazardous Decomposition Products

### 1.7. Chemical Abstracts Service (CAS) Number
- **CAS Number:** Not available

### 1.8. Supplied by
- **Supplier:** Non-hazardous Decomposition Products
- **Address:** Non-hazardous Decomposition Products
- **Phone:** 1234567890

### 1.9. Safety Data Sheet (SDS)
- **SDS Number:** Not available

### 1.10. Revision Date
- **Revision Date:** 2022-01-01

### 1.11. Page Count
- **Page Count:** 1

### 1.12. Issue Date
- **Issue Date:** 2022-01-01

### 1.13. Disposal Considerations
- **Disposal Instructions:** Not available
- **Waste from Incineration or Incineration:** Not available
- **Containerized Packaging:** Not available

### 1.14. Transportation
- **UN/NA Number:** Not available
- **Transportation Security Administration (TSA) Number:** Not available
- **International Air Transport Association (IATA) Number:** Not available
- **International Civil Aviation Organization (ICAO) Number:** Not available

### 1.15. Regulatory Information
- **California Proposition 65:** Not available
- **Emergency Planning and Community Right-to-Know Act (EPCRA) Section 313/314:** Not available
- **Substance Control Act (SCA):** Not available
- **Emergency Planning:** Not available

### 1.16. Other Information
- **LEEDS:** Not available
- **EPD:** Not available
- **Nanjing:** Not available
- **TDS:** Not available

### 2. Hazards Identification

#### 2.1. Emergency Overview
- **Contact:** May cause eye and skin irritation.
- **Routes of Exposure:** Eye, Skin contact, Inhalation, Ingestion.
- **Exposure Limits:** OSHA, NIOSH.
- **Inhalation:** May cause respiratory tract irritation.
- **Ingestion:** May cause stomach distress, nausea or vomiting.
- **Eye:** Corrosive.

#### 2.2. Physical and Chemical Properties
- **Form:** Solid.
- **Color:** White.
- **Odor:** None.
- **pH:** Not available.

#### 2.3. Physical and Chemical Properties
- **Reactivity:** May cause irritation.
- **Inhalation:** May cause respiratory tract irritation.
- **Ingestion:** May cause stomach distress, nausea or vomiting.
- **Stability:** Non-hazardous Decomposition Products
- **Dissociation Energy:** Not available
- **Carcinogenicity:** Not available
- **Hazardous Decomposition Products:** Not available
- **Subsystems:** Not available
- **Toxicity:** Not available

### 3. Composition / Information on Ingredients

#### 3.1. Composition / Information on Ingredients
- **Composition / Information on Ingredients:** Not available

### 4. First Aid Measures

#### 4.1. First Aid Measures
- **Eye Contact:** Flush with cool water. Remove contact lenses, if applicable, and continue flushing.
- **Skin Contact:** Wash with soap and water. Obtain medical attention if irritation persists.
- **Inhalation:** Administer oxygen by face mask in case of breathing difficulty. Obtain medical attention immediately.
- **General Advice:** If first aid is needed, do not apply external cold.

### 5. Fire Fighting Measures

#### 5.1. Fire Fighting Measures
- **Handling:** Not available
- **Fire:** Not available
- **Extinguishing Media:** Not available
- **Fire Fighting Media:** Not available

### 6. Accidental Release Measures

#### 6.1. Spill Containment
- **Spill Containment:** Not available
- **Waste:** Not available

### 7. Handling and Storage

#### 7.1. Storage
- **Storage:** Not available
- **Storage:** Not available

### 8. Exposure Controls / Personal Protection

#### 8.1. Exposure Controls
- **Exposure Control:** Not available
- **Personal Protective Equipment:** Not available

### 9. Physical and Chemical Properties

#### 9.1. Physical and Chemical Properties
- **Reactivity:** Not available
- **Toxicity:** Not available
- **Hazardous Decomposition Products:** Not available
- **Carcinogenicity:** Not available
- **Toxicity:** Not available

**Directions for use of this form:**

1. Beginning balance for this Pay Period must agree with ending balance of last Compensatory Time Sheet submitted.
2. This form must be submitted to the Department Head at the end of the Pay Period in which time was either used or accrued.
3. Supervisor’s Initials column must be completed PRIOR to accrual or usage signifying their approval of time either ACCRUED or USED.
4. The Fair Labor Standards Act requires non-exempt employees to be compensated at 1.5 hours for each hour worked above 40 in any one week. Therefore, for a 37.5 hour per week employee the first 2.5 hours of earned compensatory time will accrue 2.5 hours; any hours worked beyond 40 hours per week will be compensated at the rate of 1.5 hours for each hour.

Job titles do not determine exempt status.
In order for exemption to apply, an employee's job
duties and compensation must meet all the requirements
of the Department of Labor regulations.

Revised 7/2014
Exhibit 36 – Grant Approval Form

CECIL COUNTY PUBLIC SCHOOLS
GRANT APPLICATION APPROVAL FORM

Title of Grant (Program)  High School Math Intervention Grant
Proposal Prepared By:  Albert Einstein  Date Prepared 05/30/2013
Source of Funds:  
- X State
- Federal
- Other:
Date Due to Funding Agency:  06/15/2013
Duration of Project:  07/01/2013 to 06/30/2014
Amount of Grant:  $50,000.00
- X Renewal
- New Grant

Synopsis of Grant:
This grant funding will provide math intervention activities to high school students at EHS, NEHS and PHS. These schools have large populations of at-risk students who need assistance in math skills in order to pass HSA requirements. Each school will provide after-school programs that need financial support for tutor salaries and fixed charges, student supplies, and student transportation.

Program Manager Responsible:  Albert Einstein, Instructional Coordinator for Mathematics
Principal Approval:  
(if funding is school-specific)

All “Assurance” statements required by the grantor have been reviewed closely and are included in the grant application attached.

Budget Prepared by:  Albert Einstein  Date: 5/30/13
Budget Reviewed by:  Donald Reagan  Date: 6/1/13
Chief Financial Officer’s Approval  Franklin Roosevelt  Date: 7/1/13
Associate Superintendent’s Approval  Abraham Lincoln  Date: 8/2/13
Superintendent’s Approval  George Washington  Date: 9/4/13
