World Languages Curriculum Overview

CECIL COUNTY PUBLIC SCHOOLS
WORLD LANGUAGES:
Curriculum Overview – Level IV

Course: Level IV Chinese, French, German, Spanish
Grades: 11 - 12
Annual Performance Target: Intermediate High
Proficiency Target: Intermediate Mid

Course Description:
Students communicate in writing and in extended conversations on a variety of familiar and some unfamiliar topics. They begin to narrate, discuss, and support fairly complex ideas and concepts using concrete facts and details in a variety of timeframes. Many different types of authentic text (short stories, poetry, excerpts from various periods of literature, and current events) are included. Finer points of grammar are studied to aid oral and written communication; however, grammar is not overemphasized at the expense of communication. There is more in-depth study of the target culture(s) and their influence throughout the world. Students have a greater understanding of the target culture’s perspectives and are able to interact with others in and out of the classroom setting using culturally appropriate behaviors. PRE: Level III of same language

CCPS teachers assess and evaluate their students on what they can do with what they have learned and to what degree. To support instructional planning for language performance towards proficiency, teachers use the ACTFL Intermediate Mid and Intermediate High Performance Global Can-Do Benchmarks & Indicators that describe what students can do by the end of the academic year of instruction.
